

LaGrange Library Board Committee Reports - September 2021

Friends:

I (Anne) attended the MHVL Friends meeting on 10/7/21 representing the LaGrange friends and will summarize the discussions. The friends will staff the table at the LaGrange BiCentennial event and sell tote bags. The friends are running out of space in our storage closet and would be interested in extra space that might be available in November when the new space is available.

ByLaws/Policy Committee:

The Bylaws/Policy committee is waiting for a response from the Friends of the LaGrange Association Library to update the Letter of Agreement which was last updated in April 24, 2008.

Finance Committee:

Did not meet in September and will meet on October 21.

Building Committee:

Did not meet, however, the Library will get the keys to the new space on November 1 and a date for a tour of the new space will be set up for all to attend.

Personnel Committee:

A date in November needs to be chosen for the committee members to meet to discuss the Director's evaluation.
