

# Friends of LaGrange Library Donations Policy

Thank you for thinking of the LaGrange Association Library for donations. Items must be in excellent condition and meet specific criteria to be accepted by the Library. They must also be delivered to the LaGrange Library during open hours. The Library reserves the right to check all donations prior to acceptance. Listed below are items which we are unable to accept.

If accepted, your donations may be added to the Library's collection, placed on the Friends' Book Sale shelves or offered to other local agencies. Due to the large volume of materials received, we regret that we cannot be responsible for returning donated items.

Donations are tax-deductible to the extent allowed by law. Receipts are available at the circulation desk.

Thank you, again, for thinking of the LaGrange Library.
