I. Introduction

This policy manual has been created to introduce and acquaint you with the background, policies, procedures and philosophies of our Library, information about our employment practices for your own knowledge and is not a legal document or a contract of employment.

The Board of Trustees reserves the right to amend, supplement or rescind any or all provisions of this manual as it sees appropriate at its sole and absolute discretion.

II. Mission

The LaGrange Association Library provides opportunities for education, enrichment and recreation to the people of the LaGrange community.

III. History

The LaGrange Association Library was formed in 1982, when it received its provisional charter from the New York State Board of Regents. Prior to this the Town of LaGrange contracted with Adriance Memorial Library for services. The LaGrange Association Library began offering services in 1983, in the basement of the Town Hall with a collection comprised primarily of donated books.

By 1988, the Library had outgrown the Town Hall and was moved to the Freedom Executive Park. In 1990, the LaGrange Association Library became one of the first libraries to join the Mid-Hudson Library System Automated Network. Staff and volunteers saw that each item in the Library was barcoded and entered into a database. Library items began circulating online in June 1991. Circulation began to increase at a rapid rate and exceeded 100,000 in 1992.

The collection increased rapidly; in 1996, the Library expanded its space in the Freedom Executive Park. The Children's Room became a room contiguous to the Library and an online public access catalog was made available to Library patrons.

The collection, patron demand for adult and youth programs, technology, and digital literacy needs continued to grow over the years. Programs for all ages became severely limited due to a very small program room which served multiple purposes. In 2016, the Library became a passport acceptance facility, necessitating additional space in which to conduct this convenient service for patrons.

The Library Board investigated several physical plants which could accommodate the growth in services and materials to the community for the long term. In November 2020, the Library relocated to its present leased space in the heart of Town Center at 1110 Route 55 in Lagrangeville, with the potential to nearly double its former square footage.

The Library Board continues its Capital Campaign to complete renovations for the total space which will include a dedicated youth program room, a toddler play area, a larger community room, a passport application office, and an expanded main library area with ample shelving to bring the balance of the collection out of storage.

IV. Equal Opportunity Employment

The LaGrange Association Library is an equal opportunity employer. Our policy is to hire,

promote and compensate without regard to race, age, religion, gender, nationality, creed, disability, sexual orientation or color. Employment opportunities are open to all qualified applicants on the basis of their experience and ability. Employees who require assistance/equipment to overcome their disability to complete their duties are encouraged to speak with the Director or Assistant Director of their needs. The Library will make reasonable accommodations in accordance with all legal requirements to allow qualified employees with disabilities to perform the essential functions of their jobs.

V. Service Animals

Employees are permitted to bring their service animal into the building for their work shift, as per the American with Disabilities Act of 1990. Service animals are licensed and wear licensed credentials to assist their human with pulling of a wheelchair, mobility for those with visual impairments and such. “Comfort Animals”, “Emotional Support Animals” and general pets are not permitted in the building.

VI. Harassment

The LaGrange Association Library will not tolerate harassment or bullying of any employee, volunteer, patron, or trustee by fellow library staff or third party individuals in the library or at any off-site library function. The Library will not tolerate physical or verbal acts that create a hostile work environment. Any behavior that is offensive, intimidating or abusive, especially, but not limited to, derogatory behavior due to an individual’s age, race, color, sex, religion, disability, sexual orientation, gender identity, political views, or nationality are prohibited. Violations of this policy will lead to disciplinary action up to and including termination of employment or revocation of a patron’s access to LaGrange Library materials, programs, and resources.

Harassing conduct includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes and display or circulation in the workplace of written or graphic material that denigrates or shows hostility or aversion toward an individual or group (including through posting on walls, email, text message, instant messenger, social media, or other electronic communication).

Bullying conduct is a form of aggressive behavior in which someone intentionally and repeatedly causes another person injury or discomfort, especially those who are younger, smaller, weaker, or in some other situation of relative disadvantage. Bullying can take the form of physical contact, words, or more subtle actions (including such behaviors conducted through cell phones, email, social media, or text messaging).**

If an individual feels that they are a victim of any form of harassment or bullying, that person must file a written complaint with the Director or the President of the Board of Trustees, if it involves the Director. The complaint will be investigated promptly and appropriate action will be taken. All complaints will be treated with discretion, and no punitive action will be taken against any individual who files a complaint.

** Definition adapted from the APA Dictionary of Psychology

VII. Sexual Harassment Prevention

The LaGrange Association Library will not tolerate sexual harassment of any library staff, defined as an employee, paid or unpaid intern, volunteer, or Board member, by fellow library staff in the Library, while working remotely, or at any off-site Library or Library-related function. Sexual harassment is against the law.

Sexual harassment is defined as any unwelcome verbal, visual, or physical conduct of a sexual nature that is severe or pervasive and affects working conditions or creates a hostile, intimidating, or offensive work environment. Conduct of non-sexual nature can also constitute sexual harassment if the conduct is directed at an individual because of that individual's sex, sexual orientation, or gender identity. Calls, texts, emails, and social media usage by library staff can constitute unlawful workplace harassment, even if they occur away from the workplace premises or not during working hours.

REPORTING SEXUAL HARASSMENT

The LaGrange Association Library cannot prevent or remedy sexual harassment unless it knows about it. Preventing sexual harassment is **everyone's responsibility**. Any supervisor or worker who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to the Library Director. **All supervisors are required** to report suspected sexual harassment to the Library Director or the Library Board President or Vice-President, as appropriate. Failure to do so will result in disciplinary action.

Any library staff member who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to the Library Director. If it would be inappropriate to report it to the Library Director, report it to the President or Vice-President of the Library Board. Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is available in the Library and all library staff are encouraged to use this complaint form. If a verbal complaint is made, the form will be written up based on that discussion.

An immediate investigation of the allegations will be conducted by:

- Speaking with the employee
- Speaking with the alleged harasser
- Interviewing witnesses
- Collecting and reviewing any related documents

A report of the findings, along with any corrective actions taken, will be made to the reporting library staff member and the individual(s) against whom the complaint was made. This notification may be in writing or via email. To the extent possible, the investigation will be conducted in a confidential manner that protects the identity of both the person filing the complaint and the person accused.

EXTERNAL REMEDIES

All library staff have a legal right to a workplace free from sexual harassment, and they can enforce this right by filing a complaint internally with the LaGrange Association Library, or with a government agency, or in court under federal, state or local antidiscrimination laws.

Aside from the internal process at LaGrange Association Library, library staff may also choose to pursue legal remedies with the following governmental entities **at any time**:

New York State Division of Human Rights (DHR)

888-392-3644

www.dhr.ny.gov

United States Equal Employment Opportunity Commission (EEOC)

800-669-4000

www.eeoc.gov

Local Police Department

If the harassment involves physical touching, coerced physical confinement, or coerced sex acts, the conduct may constitute a crime. Contact the Dutchess County Sheriff's Office at 845-486-3800.

RETALIATION

Retaliation against individuals who complain of, or inform management of, sexual harassment, or who testify or assist in any investigation or proceeding involving sexual harassment is unlawful. Retaliation is any action that would keep a worker from coming forward to make or support a sexual harassment claim. Such retaliation is unlawful under federal, state, and (where applicable) local law. Examples include being discharged, disciplined, discriminated against, or otherwise subject to adverse employment action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in the investigation of a sexual harassment complaint.

LaGrange Library Association has a zero-tolerance policy for such retaliation. Any library staff member of LaGrange Association Library who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to, and including termination.

VIII. Grievances

The staff is encouraged to discuss problems with the Director informally at any time. If the employee feels a matter is not resolved, he or she should submit a letter to the Director. If the situation is still not remedied to the satisfaction of the employee, a second letter may be submitted to the Board of Trustees.

IX. Confidentiality

As a library employee, it is understood that all library records are confidential and should not be discussed with any person or persons outside the Library. Copying, removing, allowing unauthorized access to library patron documents, information files or mailing lists is prohibited. Breach of this confidentiality requirement may result in termination of employment.

Part-time: employees scheduled to work less than 37½ hours per week

All employees are expected to arrive in a punctual manner for their shift.

XI. Probation Period

New staff members are subject to a probationary period, during which time their performance is subject to close examination. The probationary period is for three months, but may be extended for up to six months. An employee can be dismissed at any time during the probationary period.

XII. Attendance

All employees are expected to work their scheduled hours and to be on time for their shifts. Employees may trade shifts as long as the Director or Assistant Director is made aware of the changes ahead of time and that the trade occurs within the same pay period. Habitual shift trading will not be allowed.

Employees must adhere to the following procedures if they are going to be absent or late:

All employees are required to personally notify the Director or Assistant Director as soon as possible, but no later than 2 hours prior to the start of their shift if they are not going to be able to work. In the event of a prolonged illness (1 week or longer) a doctor’s note must be submitted indicating the nature of the illness and a prognosis of the time needed to be away from work.

Any employee who is absent from work over 2 days without notifying the Director or Assistant Director will be considered to have voluntarily resigned. Excessive absenteeism is defined as missing two scheduled work days in a 6 month period, excluding valid illness or previously arranged time off approved by the Director or Assistant Director. Excessive absenteeism can be cause for dismissal.

Habitual lateness will not be tolerated. Habitual lateness is defined as reporting for work late as many as two times in any 2 week period or as many as four times in any six week period. Habitual lateness can be cause for dismissal. Failure to show up or call in when scheduled can be cause for dismissal.

Staff, at the discretion of the Director or Assistant Director, may be required to work additional hours or alter their regular schedules in order to provide adequate coverage during vacations or any other period when staffing is reduced.

XIII. Breaks

Employees working a minimum shift of 4 hours receive a paid 15-minute break.

Employees working shifts in excess of 6 hours receive a paid 30-minute break.

XIV. Evaluations

Employees will have their job performance evaluated on an annual basis.

XV. Personnel Records Access

The official personnel file for each library employee shall be maintained by the Library Director. Personnel files are confidential records that are secured in a locked cabinet and will only be available to authorized managerial and supervisory personnel on a need-to-know basis; or when required by a lawful subpoena or by court order that has been properly served by one having authority to do so. Records relating to any employee's medical condition will be maintained in a separate file.

Any employee may review their file in the presence of the Library Director by making an appointment. Copies of materials contained in the personnel file may be made only with the approval of the Library Director.

Personnel files will be permanently retained by the Library in accordance with the [Retention and Disposition Schedule for New York Local Government Records \(LGS-1\)](#).

XVI. Payroll

Employees are paid on a bi-weekly basis via direct deposit on the Friday following the end of the two-week pay period cycle. In the event that payday falls on a Federal Reserve Bank observed holiday, employees will receive their pay one day earlier. LaGrange Association Library strives to fairly and accurately compensate all employees. If there is a discrepancy, please contact the Director, Assistant Director, or Bookkeeper so corrections can be made in a timely manner.

XVII. Telephone Calls

The Library telephone is for Library business; however, under certain circumstances it is understood that personal calls need to be made during working hours. Employees may make and receive personal calls when necessary during work hours, with the stipulation that customer service not be affected negatively. Employees should always conduct themselves in a professional and courteous manner when on the phone. Any outgoing calls must be local, unless charged to the employee's personal account. Excessive use of the telephone for making or receiving personal calls will not be tolerated.

Personal cell phones are not to be used during an employee's scheduled work hours, unless under emergency situations. Emergency personal cell phone calls (including texting) are not to be

made or received at the desk, but may be made or answered in the hallway outside the Library unit or in a private area of the Library (i.e. office) as not to disturb library patrons. All cell phones are to be switched to the “vibrate” or “ringer off” mode.

XVIII. Smoking

The Library is a smoke-free environment. Smoking of tobacco, narcotics or electronic cigarettes, is not allowed in the building. Employees may smoke on their scheduled break time outside in designated areas, provided that smoking materials are discarded in the appropriate receptacles.

XIX. Health & Safety

Employees shall comply with all rules and regulations established by New York State, Dutchess County, and/or the Town of LaGrange and the LaGrange Association Library during public health emergencies or a declared pandemic or epidemic, including the donning of personal protective equipment and the completion of health screenings.

XX. Resignations

A minimum of 2 weeks notice is requested upon resignation. All Library equipment (i.e. iPads, keys) must be returned before the employee’s last day of employment, and before a final paycheck can be issued. The cost of any damaged or unreturned equipment will be deducted from the final paycheck. All resignations must be submitted in writing to the Director.

XXI. Leave of Absence

Requests for unpaid leave of absences must be made in writing to the Director or Assistant Director and are subject to the discretion of the Director or Assistant Director.

XXII. Jury Duty

The Library will continue to pay the employee's regular workday for up to 10 working days of jury duty during any 12-month calendar year. If an employee is required to serve jury duty beyond 10 working days, the Director will review any arrangements. If the employee receives monetary compensation from the court, the Library will withhold the equivalent amount from earnings or it shall be paid by the employee to the Library. Either the Library or the employee may request an excuse or postponement from jury duty if, in the Library’s judgment, the employee's absence would create serious operational difficulties. LaGrange Association Library will continue to provide health insurance benefits for the full term of the jury duty absence; however, for periods of leave without pay, accrual of paid leave time will be suspended.

XXIII. Outside Employment

An employee may hold a job with another organization, as long as he or she satisfactorily performs his or her job responsibilities with the Library. All employees will be judged by the

same performance standards and will be subject to the Library's scheduling demands, regardless of any existing outside work requirements. If the Library determines that an employee's outside work interferes with performance or the ability to meet the requirements of the Library as they are modified from time to time, the employee may be asked to terminate the outside employment, if he or she wishes to remain with the Library. Outside employment will present a conflict of interest, if it has an adverse impact on the Library.

XXIV. Recycling

The Library makes every effort to re-use, re-purpose and recycle items. A recycling bin and scrap paper box are available for staff. Employees are encouraged to look for ways in which to promote recycling our earth's resources.

XXV. News Media

All media inquiries must be directed to the Director. The Director shall notify the President of the Board of Trustees regarding all media inquiries. The Director and the President of the Board of Trustees are the only persons authorized to release any information to the news media. Release of information by anyone other than those designated may result in disciplinary action, up to and including termination of employment.

XVI. Electronic Communications & Social Media

Staff members are urged to become members of civic, educational, and professional organizations, and to improve their skills in librarianship, and with the permission of the Library Director, to attend library conferences and other professional meetings.

The Library will make every effort to arrange schedules to permit staff members wishing to take further study to continue working at the Library. As time allows, staff members may be asked to attend continuing education workshops. For travel and personal expenses involved in attending such workshops, mileage reimbursements will be paid as per IRS mileage rates, and reimbursement for other expenses may be allowed, with prior approval of the Director. Should professional development opportunities occur during an employee’s unscheduled work hours, employees will be paid their regular salary during the time of the training. Non-exempt employees will not be compensated for this time.

XXIX. Name Badges

It is assumed that the visitor will not be interfering with the employee's expected duties.

XXXII. Rules of Conduct

All employees are expected to conduct themselves with professionalism.

It is expected that the majority of employees never violate any Library rules or give the Library any reason to take disciplinary action. Unfortunately, however, there is the possibility that employees of the Library may require discipline up to and including discharge for actions that are detrimental to the Library, its patrons, or employees.

If progress is still not made during a given time frame, the above mentioned actions and corrective measures will be documented in writing. A copy will be given to the employee, who will then be asked to read the warning and sign it. The Library copy will be placed in the employee's file. The purpose of this procedure is for the employee to acknowledge the receipt of the warning and to ensure the employee understands the problem and agrees to make the necessary changes in behavior.

(b) Right of Appeal

Any disciplinary action taken against an employee may be appealed to the Board of Trustees for review. The request for review must be submitted in writing within 30 days of the action. All pertinent facts about the action in question should be included.

Requests for vacation should be made as soon as possible to allow for planning of staff working schedules. Submissions, which could result in creating staffing issues, will be resolved using seniority and accrued vacation time criteria.

Vacation requests must be submitted to your immediate supervisor for approval using the Change of Schedule Form.

(f) Sick Days

Part-time employees receive 2 sick days on their anniversary date.

Full-time employees receive 5 sick days on their anniversary date.

(h) Maternity Leave

Part-time employees are eligible for 12 weeks of unpaid leave. This leave must be requested in a written document, which includes the date on which the leave will commence. An additional 2 weeks of unpaid leave may be requested in writing and must be submitted 4 weeks prior to the end of the first 12 week leave period.

Full-time employees are eligible for 6 weeks of paid leave. This leave must be requested in a written document, which includes the date on which the leave will commence. An additional 12 weeks of unpaid leave may be requested in writing and must be submitted 4 weeks prior to the end of the first 6 week leave period.

(i) Emergency Closings

In the event of a delayed opening, emergency, or weather closing, staff that would have worked will be paid for their scheduled hours, if they do not call out prior to the decision to delay opening or close for the day is made.

If the Library should close early, staff working will be paid for the remainder of their shift, unless they chose to leave prior to the time the Library was closing.

Every effort is made to make the decision to close due to inclement weather prior to 7:30am on the day of the inclement weather. Employees who are scheduled to work will receive a text or phone call from either the Director or Assistant Director. Employees can also find closings posted on local radio stations, Facebook, Twitter and cancellations.com, or on the Library's telephone recorded message.

(j) Retirement

Both full-time and part-time employees are eligible to participate in the Invesco 403(B) Retirement Plan. All contributions are taken from the employee's wages. Interested employees must complete the Invesco Salary Reduction Form. The Library does not contribute on behalf of the employees.

Full-time employees are eligible for health coverage under the Library's umbrella. Participating employees are responsible for 15% of the premium. Should this coverage percentage change, full-time employees will be notified 60 days prior to a new medical plan taking effect.

Part-time employees are eligible for health coverage under the Library's umbrella. Participating part-time employees are responsible for 100% of the premium.

In addition, the Library offers supplemental health insurance through AFLAC. Interested employees must complete the AFLAC Enrollment Form. Participating employees are responsible for 100% of the premium.
