Americans with Disabilities Act Compliance

The LaGrange Association Library affirms its support of equal access for persons with disabilities and the Americans with Disabilities Act (ADA). The Library seeks to make its services, facilities, and programs as accessible as possible to the public, including those covered by the ADA.

If there is a concern about accessing our facility or taking part in our services and programs, we would like to know how we can serve people better. Persons who wish to request accommodation or have an accessibility issue with the LaGrange Association Library should complete the Accessibility Accommodation Request Form below and return it to the Library Director.

The Library Director will review all requests and concerns and will make reasonable accommodations as necessary. If a person feels that their request or concern has not been addressed appropriately, they may appeal to the Library Board in writing. The Library Director will place the matter on the agenda so that the individual can present their concern at the next regularly scheduled Library Board meeting. The decision of the Library Board is final. If resolution still is not achieved, the concerned individual may wish to pursue other courses of action as described in the ADA and related regulations.

American Library Association (ALA) Freedom to Read

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. ***It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.***

Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. ***Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.***

Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. ***It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.***

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. ***There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.***

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters, values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. ***It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.***

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. ***It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.***

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society, individuals are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.

7. ***It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.***

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said. Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties, and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

This statement was originally issued in May of 1953 by the Westchester Conference of the American Library Association and the American Book Publishers Council, which in 1970 consolidated with the American Educational Publishers Institute to become the Association of American Publishers.

Adopted June 25, 1953, by the ALA Council and the AAP Freedom to Read Committee; amended January 28, 1972; January 16, 1991; July 12, 2000; June 30, 2004.

Adopted by the Board of Trustees on April 2, 2020

American Library Association (ALA) Freedom to View

The **FREEDOM TO VIEW**, along with the freedom to speak, to hear, and to read, is protected by the First Amendment to the Constitution of the United States. In a free society, there is no place for censorship of any medium of expression.

Therefore, these principles are affirmed:

1. To provide the broadest access to film, video, and other audiovisual materials because they are a means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantee of freedom of expression.
2. To protect the confidentiality of all individuals and institutions using film, video, and other audiovisual materials.
3. To provide film, video, and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of the content.
4. To provide a diversity of viewpoints without the constraint of labeling or prejudging film, video, or other audiovisual materials on the basis of the moral, religious, or political beliefs of the producer or filmmaker or on the basis of controversial content.
5. To contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

This statement was originally drafted by the Freedom to View Committee of the American Film and Video Association (formerly the Educational Film Library Association) and was adopted by the AFVA Board of Directors in February 1979. This statement was updated and approved by the AFVA Board of Directors in 1989.

Endorsed January 10, 1990, by the ALA Council

Cash Handling

This policy describes the proper handling of all monies collected by LaGrange Association Library staff. A clear cash handling policy is necessary to protect all staff from charges of mishandling funds and to facilitate fund recovery in the event of a theft.

Collecting Funds from Patrons

Upon receiving funds from the public (fines, donations, payment for lost library items, etc.) the staff will immediately deposit the funds (cash, check, money order) in the cash register. Staff will give the patron a receipt from the Sierra system to confirm the amount paid.

Under no circumstances shall library staff accept bills in denominations over twenty dollars. Library staff may only accept U.S. currency.

Disbursing Refunds to the Public

Refunds are issued in the form of a check mailed to the patron's home. Each refund is recorded by the bookkeeper and signed by either the Board of Trustee Treasurer or the Library Director. Refunds are not to be issued directly from the cash register.

Cash Register Reconciliation

15 minutes before opening each day, the staff will run the full sales report from the previous day, count the money in the daily lock box and place the cash in the cash register's drawer for the day's transactions. Each of the three rotating daily lock boxes will contain \$100 in various denominations of coinage and paper bills.

Head of Circulation, with another staff member present, will count the daily boxes and reset the contents to \$100 total. Any money in excess of \$100 will be placed into a locked bank bag with that day's cash register sales report, and stored in a secure location.

Reconciliation reports are filed by month with the Library Bookkeeper, then stored with the year's financial papers for a period of seven years.

Deposits

Money from the locked bank bags will be counted and verified against the daily sales reports from that week. Deposits to the Library's financial institution will happen on a weekly basis or if the total amount of funds exceeds \$500, whichever criterion is met first. Monies shall be counted and double counted by two individuals (Head of Circulation/Library Director/Bookkeeper/Adult Programmer) in a secure area, yet within view of other staff members during normal business hours. Deposit tickets shall be written in a transparent fashion which illustrates the name of the check writer and amount, or the amount of cash. Sources of revenue shall be deposited on separate deposit tickets (i.e. Fundraising, Fines, Friends of the Library Book Sales, Friends of the Library Memberships). Each deposit ticket must be initialed by the library staff person counting the money.

Photocopies of the deposit tickets leaving the Library building en route to the bank will be left with the Library Bookkeeper as a record of money being transported. Any monies transported are to be secured in the locked bank bags and not left unattended. Transport of a deposit is to happen from the Library to the bank in one trip with no stops in between. Additional stops can be made after the deposit is made at the bank. Deposit receipts will be given to the Library Bookkeeper in a prompt fashion to record in the library's bookkeeping records.

Staff (Head of Circulation/Bookkeeper/Library Clerk) whose duties include handling deposits and counting daily float drawers are encouraged to take a minimum of one week vacation (5 consecutive business days) each calendar year at a time of their choosing. Staff (Head of Circulation/Bookkeeper/Library Clerk) will be cross trained and rotate duties in a sporadic fashion. Any inconsistencies in record keeping and cash counting between the Head of Circulation/Bookkeeper/Library Clerk will become evident due to this rotation of duties.

*Approved by the Board of Trustees on September 15, 2016
Amended & Approved on March 10, 2022*

Cash on Premises

No more than \$500 of Library cash currency shall be held in a secure location. Under no circumstances shall personal monies be left in Library areas or desks. All checks received shall be restrictively endorsed at the time of receipt and be stored in a secure location until deposited. All funds shall be deposited at least once a week into the Library's checking account. Only authorized Library employees shall be allowed access to the secured location. All monies shall be counted in a secure location of the Library by two staff.

Challenged Resources

The LaGrange Association Library believes in freedom of information for all, and does not practice censorship. Governed by the American Library Association Bill of Rights, Freedom to Read, and Freedom to View doctrines, the selection of library resources is predicated on the patron's right to read and freedom from censorship by others. Library resources may be controversial and any given item may offend some person. Selections for the library are made solely on the merits of the resource in relation to the development of a collection and programming that serve the needs and interests of a diverse population.

The LaGrange Association Library Board of Trustees recognizes that a collection of diverse resources may result in some complaints or requests for reconsideration. The LaGrange Association Library *Collection Development Policy* and *Programming Policy* guide the development and continuous evaluation of the resources to reflect its mission to provide access to materials and opportunities for the cultural, educational, and recreational enrichment of the LaGrange community.

The Library holds the choice of reading and viewing materials or attending programs as a purely individual matter. Patrons are free to reject books and other resources of which they do not approve. Patrons may not exercise censorship to restrict the freedom of others.

Responsibility for resources selected and read, heard, or viewed by children and adolescents rests with their parents or legal guardians. Library selection decisions are not influenced by the possibility that resources may be accessible to minors.

The Library does not indicate, through the use of labels or other means, particular points of view or perspectives contained in library resources.

No items are sequestered to control access.

A formal process for handling challenges will be followed, to assure that challenges are handled in an attentive and consistent manner. In the event that a patron challenges library resources:

- The patron will be given the **Request for Reconsideration of Library Resources** form.
- Once the completed form is returned, the Director will investigate and pursue the claim.
- The Director will inform the Board of the request for reconsideration and the result.
- The Board shall review the report of the Director and notify the patron in writing.

*Approved by the Board of Trustees on April 2, 2020
Amended & Approved on August 10, 2023*

Claims Audit Process

As a form of internal control the board designates a claims auditor for approval of payments.

Invoices for goods and services are reviewed by the Library Director to ensure goods have been received and/or services have been performed.

Once verified, invoices are submitted to the Library Bookkeeper for secondary review and coding in QuickBooks. The associated checks are printed by the Bookkeeper, accompanied by their corresponding invoices and a list of online payments to be made, for review by a Library Trustee elected by the Board to serve as the claims auditor. The claims auditor will initial and date all approved payments and the checks are signed by the Board Treasurer. Checks in excess of \$1500 require a second signature by the Board President. For time sensitive payments during a prolonged absence of the President or Treasurer, the Library Director may be designated as the second signer.

A list of paid vendors with corresponding amounts, including online payments, is prepared by the Bookkeeper for inclusion in the monthly financial report to the Board. Review and acknowledgement of these financial documents takes place at the next scheduled Board meeting.

Approved by the Board of Trustees on July 14, 2022

Collection Development

The LaGrange Library's Collection Development Policy supports intellectual freedom and is based on the American Library Association's *Bill of Rights, Freedom to View and Freedom to Read Statements*. No library material shall be excluded because of the origin, background, or views of those contributing to their creation. Library materials (print and non-print) shall be chosen on the basis of their value in terms of cultural, educational, and recreational enrichment of all the people in the community.

The Director of the Library shall be responsible for the selection of books and other materials. The Director, at their discretion, may delegate the authority and responsibility for the selection of library materials to qualified staff members.

The Library Director may accept or reject the gift of library materials. Gifts shall be accepted with the stipulation that the library will use them as it sees fit.

Library materials will be selected in a variety of formats including, but not limited to, print, video, sound recording, and electronic media. Materials for individuals of varying ages, educational levels, and interest will be acquired. Each type of material must be considered in terms of its own excellence and the audience for whom it is intended. No single standard can be applied in all cases. Some materials may be judged in terms of artistic merit, scholarship, or value to humanity, while others are selected to satisfy the informational, recreational, or educational interests of the community. A wide range of materials is selected to meet the demands of the community, including entertaining and ephemeral materials, which may not be of lasting value.

Sources for materials selection include, but are not limited to:

- Reviews in professionally recognized periodicals
- Best seller lists
- Authoritative book lists
- Broadcast and social media reviews
- Advice from experts in specific subject areas

The Library's collection will be kept vital and useful on a systematic and continued basis, as per the guidelines set forth in its Weeding Policy.

Computer & Internet Access

The Library's computer and Internet access is intended to fulfill, in part, the Library's mission of developing resources and services that meet the cultural, informational, recreational, and educational needs of the LaGrange community, and of supporting the individual's right to know by providing free access to information. The library adheres to the American Library Association's policy statement "*Access to Digital Resources and Services: An Interpretation of the Library Bill of Rights*", which supports the right of individuals to choose library materials for themselves, including those in electronic formats.

ACCEPTABLE USE

Computers/Printer:

Users access Library computer hardware, software, and documentation at their own risk. The Library is not responsible for equipment malfunction, loss of data, any damages to the user's personal storage devices, or electronic transactions of any type that are related to the public's use of the Library's computer resources. The Library does not guarantee the privacy or confidentiality of the electronic transmission of information.

- Users are not permitted to alter the programs currently installed on the Library's systems or to access any aspect of the Library's network without authorization. Anyone tampering with any Library hardware or software may be denied access to Library computers in the future and may lose their Library privileges or be subject to criminal and/or civil penalties.
- Computer users are cautioned that the Library is a public area that is shared by Library users of all ages, backgrounds, and sensibilities. Users of both their own computing devices and those provided by the Library are asked to respect the sensibilities of others when accessing potentially offensive information or images. Users may not infringe upon the rights and privileges of other Library patrons. Library staff reserve the right to end Internet sessions when legally prohibited or inappropriate materials are displayed.
- Patrons may save data directly to their own storage device or print out their work prior to the end of each session. Files may not be downloaded directly to the Library computer hard drive. The Library is not responsible for loss or damage to files and storage devices used in its computers. There is a fee for printing from the computers. This fee applies whether the user brings paper or uses the Library's paper. Fees may be subject to change.
- Library computers shall not be used for any illegal purpose, including, but not limited to, the viewing, receiving or dissemination of sexually explicit, obscene, or harmful images prohibited by law. (See Federal Protection of Children Against Sexual Exploitation Act of 1977 (18 USC 2252)). Any use of the Library computers for commercial or 'for profit' services is prohibited, as is product advertisement and political lobbying. All laws of copyright must be honored.

Internet Access:

The Internet is a vast, constantly changing network of information. The Library is an Internet access point and does not guarantee a connection to the Internet, or to a specific site, or the quality, accuracy, authenticity, or timeliness of the information located by the user. Just as with printed material, not all information available on the Internet is accurate, complete, up-to-date, lawful, or philosophically acceptable to all individuals. It is the responsibility of the user to evaluate the information found on the Internet.

- The Library disclaims any liability or responsibility arising from access to, or use of, information obtained through electronic information systems. Provision of access does not imply Library sponsorship or endorsement.
- The Library does not limit access to sites on the Internet or censor information that some may find offensive. The Library does not monitor an individual's use of the Internet; nor does the Library employ filtering software.
- The Library encourages parents and guardians to participate with their children in using library resources and the Internet. Parents or legal guardians are solely responsible for supervising their child's use of the Library's computer resources sessions. Parents and guardians are reminded that the Library is not responsible for the supervision of minor patrons and that such minor patrons may be able to access age-inappropriate or unlawful materials via the Library's computers and devices.

Users should be aware that the Internet is not a secure medium and that third parties may be able to obtain information regarding user's activities. However, the Library will not release information on the use of specific Internet resources by members of the public except as required by law or necessary for proper operation of the Library.

The Library reserves the right to suspend or terminate computer, printing, and Internet services to anyone who, in the opinion of the Library, has used either of these irresponsibly, unlawfully or in violation of the policies outlined above.

Conflict of Interest

The purpose of this Conflict of Interest Policy is to protect the interest of LaGrange Association Library when it is contemplating entering into a transaction or arrangement that might benefit the private interest of one of its officers, directors or staff. This policy is intended to supplement, but not replace, any applicable federal, state or local laws governing conflicts of interest applicable to nonprofit and charitable corporations.

Conflict of Interest

Conflict of Interest means a conflict, or the appearance of a conflict, between the private interests and official responsibilities of an interested person in a position of trust. An Interested Person is any director, principal, officer, member of a committee, or staff member with board delegated powers. Full disclosure, by notice in writing, shall be made by the interested parties to the full Board of Trustees in all conflicts of interest, including, but not limited to, the following:

- An ownership or investment interest in any entity with which LaGrange Library has a transaction or arrangement
- A compensation arrangement with LaGrange Library or with any entity or individual with which LaGrange Library has a transaction or arrangement
- A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which LaGrange Library is negotiating a transaction or arrangement
- A board member related to another board member or staff member by blood, marriage or domestic partnership
- A staff member in a supervisory capacity related to another staff member whom they supervise

Duty to Disclose

In connection with any actual or possible conflict of interest, an Interested Person must disclose its existence and nature and must be given the opportunity to disclose all material facts to the directors or members of the appropriate committee with board delegated powers considering the proposed transaction or undertaking.

Determining Whether a Conflict of Interest Exists

After disclosure of the actual or potential conflict of interest and all material facts, and after any discussion with the Interested Person, he/she shall leave the board or committee meeting while the determination of a conflict of interest is discussed and voted upon. After exercising due diligence, the board or committee, if appropriate, shall determine whether LaGrange Library can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the board or committee shall determine by a majority vote of the disinterested

directors whether the transaction or arrangement is in LaGrange Library's best interest and for its own benefit and whether the transaction is fair and reasonable to LaGrange Library and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination. The minutes of the board and all committees with board delegated powers shall record the names of all persons participating in the meeting, a summary of the discussion, including any proposed alternative arrangements, and a record of any votes taken in connection with the final determination.

To be considered fair and reasonable and to avail itself of the refutable presumption of reasonableness under the IRS's excess benefit transaction regime, 26 U.S.C. 4958, fair and reasonable requires that LaGrange Library use comparability data, meaning that LaGrange Library has looked at more than three similar transactions. A fair and reasonable transaction is generally an arms-length transaction.

Annual Statements

Each director, principal officer, member of a committee and staff with board delegated powers, shall annually sign a statement which affirms that such person (a) has received a copy of the conflicts of interest policy, (b) has read and understands the policy, (c) has agreed to comply with the policy, and understands that LaGrange Library is a charitable organization and that in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax exempt purposes.

Periodic Reviews

To ensure that LaGrange Library operates in a manner consistent with its charitable purposes, and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews of the Conflict of Interest Policy and requirements shall be conducted.

Confidentiality of Library Patrons Records

The LaGrange Association Library (LAL) is committed to user confidentiality. The confidentiality of library records is a core part of library ethics and LAL follows the Code of Ethics of the American Library Association.

Under New York Civil Practice Law and Rules section 4509, “Library records, which contain names or other personally identifying details regarding the users of public, free association, school, college and university libraries and library systems of this state.....shall be confidential and shall not be disclosed except that such records may be disclosed to the extent necessary for the proper operation of such library and shall be disclosed upon request or consent of the user or pursuant to subpoena, court order or where otherwise required by statute.”

Confidentiality extends to, but is not limited to, records related to the circulation of library materials, computer database searches, interlibrary loan transactions, reference queries, requests for photocopies of library materials, title reserve requests, attendance records at library sponsored programs, or the use of audio-visual materials, films, or databases.

Patrons have control over their library cards. Presentation of a valid library card will allow the person whose name appears on the card (or the parent/legal guardian in the case of a minor child) access to information about the current circulation record of that patron. A person presenting the library card of a friend or family member may check out items on that card with verified authorization from the cardholder. However, no information from that library record may be given by library staff to a third party.

No information from library records will be released to any person, agency, or organization, except in response to a valid court order or subpoena, officially presented to the library director or the director’s representatives. Library staff shall use library records in the administration of their regular duties. The records of the Library will be retained and disposed in accordance with the schedules published in *Records Retention and Disposition Schedule MI-1* by the University of the State of New York/The State Education Department.

Copyright/Copier

The LaGrange Association Library is interested in serving the information needs of the community by providing fax, copier, and printer services.

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

While the Library does its utmost to provide privacy and secure connections, the Library is unable to assure the privacy of materials printed, copied, or faxed.

Credit Card/Debit Card

The LaGrange Association Library's Board of Trustees shall permit the Director and select staff members to use the Library credit or debit card for Library related purchases when:

- a vendor billing relationship cannot be established
- petty cash or a check is not a viable option
- time constraints make it necessary to use the credit or debit card rather than delaying payment for the standard check issuing process
- there is a need to secure pre-approved accommodations and travel expenses for conference and workshop attendance on behalf of the LaGrange Association Library

Although the credit and/or debit cards are issued to the Director and/or designated staff members in their respective names, they are institutional cards.

- I. The Library is exempt from sales tax on goods and services. The card user must notify the vendor or merchant that the debit/credit card transaction should be tax exempt and provide the Library's sales tax exemption certificate to avoid paying sales tax.
- II. For all debit/credit card purchases made, the card user must submit documentation in the form of original itemized receipts detailing the goods and services purchased, cost of those goods and services, vendor, and date of purchase, with the reason for the purchase clearly identified. All documentation must be submitted to the Bookkeeper promptly following the purchase. If appropriate documentation is not submitted, the card user is responsible for the amounts charged.
- III. For credit card transactions, the Bookkeeper is responsible for reconciling the receipts with the monthly statement and preparing the payment. For debit card transactions, the Bookkeeper is responsible for reconciling the receipts to the bank account activity and recording the transactions in QuickBooks promptly. Any discrepancies must be reported to the Director.
- IV. Purchases for personal use, cash advances, and cash withdrawals are strictly prohibited.
- V. Any Library employee using the debit/credit card for unauthorized transactions in violation of this policy will be responsible for reimbursing the Library for those expenditures and may be subject to disciplinary actions up to and including termination of employment.
- VI. If the debit/credit card is lost or stolen, or if any Library staff become aware of unauthorized or fraudulent use, it must be reported to the Director immediately.

Customer Service

The mission of the LaGrange Association Library is to provide opportunities for the education, enrichment, and recreation to all the people of the LaGrange community. In fulfilling its mission, the LaGrange Association Library strives at all times to provide excellence in customer service with trained and knowledgeable staff ready to assist patrons in finding the materials and services they want and need. It is equally, if not more important, that the library staff provide accurate, efficient, and friendly service at all times. Every patron is important. Each staff member while at work is a representative of the library. The impression made on the patron profoundly affects the library's image and its ongoing support.

The Customer Service Policy of the LaGrange Association Library is the foundation for all staff interactions with the general public. All other library policies should be interpreted in light of the principles outlined below.

1. The Library will offer the same high quality of service to all regardless of age, race, religion, sexual orientation, gender, nationality, educational background, physical limitations, language proficiency, or financial status.
2. Patrons will be treated with respect and courtesy in all transactions.
3. A judgment call will be made in the patron's favor whenever possible. If staff are unsure, they should check with a supervisor or the Director.
4. Patrons will never be left without an alternative if a staff member is unable to comply with a request. If staff are unsure about the proper action, they should check with a supervisor or the Director.
5. Staff members will be familiar with and be able to locate and articulate library policies as well as explain the rationale behind them.

Demeanor

In public service institutions such as the library, it is imperative that every staff/patron interaction is a positive one for the customer. A friendly, helpful demeanor can often ensure a positive experience even when the message conveyed is not a pleasant one. Staff members are expected to act in a friendly, helpful manner to all patrons of the library which will ensure that patrons walk away feeling that their experience has been a positive one.

Ethics

The needs and requests of library patrons must always be taken seriously and treated with respect. Equal consideration and treatment will be given to all users within established guidelines and in a non-judgmental environment. All interactions between a library patron or group of patrons and the library will be considered confidential and will be discussed only in a professional context. Such matters include, but are not limited to, registration information, materials selection, loan transaction records, reference questions, patron card status, etc. Staff should remember that, although the temptation to discuss or share difficult transactions at the

public desk is great, such discussions should be conducted out of range of the public eye and ear. These details are confidential as well.

Staff members will respond to inquiries with the best factual information available but will refrain from offering personal opinions or advice in response to queries. In particular, library staff may direct patrons to resources of consumer information, but they should not recommend specific products or services.

Positive Operating Procedures for All Staff

1. Every staff member will be punctual and will be at his/her assigned post and ready to work at the start of their shift. Phones will be answered, workstations staffed, and doors opened punctually at 9:30 am.
2. All staff will wear name badges to be recognizable as library employees.
3. When answering the phone, staff will state their name and department.
4. Staff will acknowledge a patron's entrance or presence by looking up, making eye contact and greeting them verbally.
5. Staff will look up and around frequently. Being helpful to patrons takes precedence over desk work. Patrons should not be led to believe otherwise. For example, staff should not keep a patron waiting while they finish checking in a pile of books, nor should they leave the desk unattended to do something in another area of the library unless absolutely necessary. If there is a line forming and there is no other staff available for back up, the staff person is to let patrons in line know that they will be with them as soon as possible.
6. Staff will take periodic walks throughout the library to be aware of activity in less visible areas and patrons in the stacks who may need assistance.
7. Staff will conduct transactions in a helpful, pleasant tone of voice. Pretend it is the patron's first visit to the library. It is always better to assume that the patron is unfamiliar with the library and its policies and procedures.
8. Staff will give the patron their first name if follow-up is required. The personal touch is always nicer and more efficient.
9. If a patron has a question or complaint and the appropriate person to address the question is not available, staff members will offer to take the patron's name and phone number for follow-up by the appropriate staff member as soon as possible.
10. It is never appropriate for a patron to treat a staff member rudely, to verbally or physically threaten staff, or to yell or use abusive language with staff. If such a situation arises, the patron is to be given a copy of the Code of Conduct and the procedures stated therein enforced by staff. If needed, staff should call the supervisor or the Director for assistance.

Disposal of Surplus Property

The Library Director is responsible for identifying obsolete or surplus property within the Library. Each year the Director shall decide and document which equipment, supplies, and/or materials are obsolete and cannot be salvaged or utilized effectively or economically by the Library. Such equipment, supplies, or materials shall be disposed of or sold, if possible, for the highest possible price.

Following approval by the Board of Trustees, the Library Director shall be authorized to dispose of obsolete or surplus equipment or supplies by discarding, recycling, donating, or selling as surplus, those items determined to be of no further use or worthless for the Library's purposes.

Following approval by the Board of Trustees, items may be sold in the following manner:

1. Offer to sell the items to MHLS member libraries or local non-profit organizations; and/or
2. Sell remaining items as scrap for the best possible amount or discard in the safest, least expensive manner.

Exam Proctoring

For students whose schools and certification organizations require remote study, LaGrange Association Library will accommodate proctor exams requests subject to staff availability and the requirements of the school or certification body.

Exams must be scheduled no less than 14 days in advance in order to ensure a staff member and space will be available. The school or certification organization must email/send the test to a library staff member no less than 48 hours prior to the test taking. Tests will be kept in a secure place until administered by the staff member to ensure the integrity of the test. Normally, exams are taken in solitary of the community room or a private office. A staff member cannot monitor the student during the entirety of the exam, but will check in on the student periodically. Library staff will fill out the necessary paperwork, and mail or electronically scan the completed test to the school or organizational body in a prompt fashion.

Should the test be completed online, it is strongly suggested that the student test the wireless connection in the library prior to the exam date.

The LaGrange Association Library offers this service without cost.

Exhibits

As an educational and cultural institution, LaGrange Association Library welcomes exhibits and displays that offer information and enrichment to the community. Displays of artwork, handiwork, historical material, nature study, or other material deemed of general interest may be exhibited.

The Board of Trustees/Director shall review and approve in advance of display/exhibit any material offered based on its suitability. Library use of exhibit and display areas takes precedence in scheduling.

Exhibitors/Artists are responsible for the installation and removal of their displays. The Library does not provide porter service, storage space, or special furnishings.

The Library assumes no responsibility for preservation or protection, and no liability for damage or theft of any item displayed or exhibited. All are there at the owner's risk. If security is a concern, it is recommended that the artist provide a "gallery sitter."

The Library does not carry insurance on artwork/items loaned to the Library for exhibit. All Exhibitors must sign a release and an insurance waiver before any artwork can be displayed.

Exhibits and displays may include information about the exhibit/exhibitor.

Should any artwork be sold while on display on library premises, the Exhibitor will donate to LaGrange Association Library 15% of the price of any works sold during the exhibit.

The following will be posted as part of all non-library exhibits or displays: "Exhibits are offered as a community service and do not carry the endorsement of LaGrange Association Library." Exhibitor will post a sign stating that the articles on display may not be photographed or touched.

LaGrange Association Library exhibit spaces are multi-functional. Exhibits may not in any way interfere with the normal routine of the library. Library meetings, programs, or other events may be held in the space concurrent with the exhibition.

Friends of the LaGrange Association Library

Letter of Agreement

The Board of Trustees of the LaGrange Association Library looks upon the Friends of the LaGrange Association Library as an extremely worthwhile community organization which greatly benefits the Library.

The Board of Trustees acknowledges that the Friends of the Library is an organization separate and apart from the LaGrange Association Library, and that the Friends of the Library has its own Board and its own goals and purposes. In order to maintain open communication between the Board of Library Trustees and the Friends group, a liaison from the Board of Library Trustees to the Friends of the LaGrange Association Library will be appointed by the Board of Library Trustees President.

The Friends of the LaGrange Association Library is distinct and separate from the Library, and neither the Friends of the Library as an organization, nor any member or participant thereof, may assume any liability or take or authorize any act on behalf of the LaGrange Association Library. Library trustees or staff acting within their capacities are exempted.

Because the Friends of the LaGrange Association Library is an organization comprised solely of volunteers distinct and separate from Library personnel, no Library personnel shall be required to perform any duty or take any act on behalf of the Friends of the Library, except that Library staff members may act in an advisory capacity for Friends activities.

Operating expenses of the LaGrange Association Library are provided through allocation of tax monies which are audited by an independent auditor. Friends' funds and Library funds shall not be commingled or integrated, except that gifts from Friends may be accepted by the Library, whereupon said gifts shall become solely the funds of the Library, but shall be expended for the specific purpose for which the gift or donation has been made by the Friends. In the event the LaGrange Association Library becomes the custodian of any Friends funds, those funds shall be kept as separate "funds" for audit and bookkeeping purposes.

Complete advance information regarding all Friends of the LaGrange Association Library projects and public relations programs on behalf of the LaGrange Association Library shall be provided to the Library Director and the Board of Library Trustees of the LaGrange Association Library. The Board of Library Trustees acknowledges that it does not supervise the public relations programs of the Friends of the Library, but the Board reserves the right not to participate in any public relations project or program in which the Board does not believe the best interest of the Library is being served. Projects and public relations programs adopted by the Friends shall not be part of the budget of, or funded by, the LaGrange Association Library.

Fund Balance

Purpose & Scope

The general purpose of this policy is to maintain the LaGrange Library Association's financial stability while also preparing for the future. Fund balances consist of an Operating Fund Reserve, which allows the library to protect itself against emergencies and economic downturns, and a Capital Fund Reserve, which provides funding for non-recurring expenditures for improvements of the library's building and incidental expenses.

Fund Balance

The Fund Balance is designed to help the Library not only prepare for a financial emergency, but also to ensure the continuity of financial operations. This policy sets forth the minimum required fund balance reserves, the allowable uses of the fund balance reserves, and the Library's plan to achieve the target level of fund balance reserves.

Minimum Balance

The **Fund Balance** is the accumulated equity balance resulting from operations over the years. Unless the funds in the Fund Balance are needed for a qualified expense, the Fund Balance is required to be no less than the estimated cost of two (2) months of operation. These funds shall be deposited into a separate interest-bearing account that meets the requirements set forth in the Investment Policy.

Eligible Expenditures

In an emergency scenario, the Fund Balance can be used to address any expenditures necessary to meet the daily operations of the Library upon approval of the Library Board of Trustees. This includes unexpected expenses that were not adequately budgeted, or in lieu of expected revenue that is not realized.

Capital Fund

The purpose of the Capital Fund is to provide funding for the improvement of and/or the addition to the facility, and for the purchases of furniture, fixtures, and equipment. Qualified expenditures are the purchase or acquisition of an asset that will benefit the Library for an extended period of probable usefulness. All Capital Fund expenditures shall be subject to the Library's Bidding and Procurement Policy.

Expenditure Selection Process

The Library Director shall make recommendations to the Finance Committee for possible Capital Fund expenditures. The Finance Committee shall, in turn, make recommendations to the Library Board of Trustees. The Finance Committee and Board of Trustees shall select capital expenditures based on the long term benefit of the expenditure and the amount of available Capital Funds.

All expenditures from this fund must be approved by the Library Board of Trustees. In the event that guidance or a decision is required in the management of these funds before the Board of Trustees or Finance Committee can meet, the Library Director will consult

the President, Vice-President, Treasurer, and Chair of the Finance Committee to determine what guidance is to be provided for a decision to be reached.

Capital Fund Investment

Funds held in the Capital Fund shall be invested according to the Investment Policy.

Surplus Transfers

The Library cannot intentionally budget a surplus into the Library's annual budget, and the Library must make a good faith effort to avoid surpluses if possible. However, at the end of the fiscal year, if a surplus from the Library's operating budget exists, it is to be transferred as follows:

1. If the Operating Fund Balance is below the minimum required level, surplus funds will be transferred into the Operating Fund Balance until the minimum is met.
2. If the Operating Fund Balance is at or above the minimum required level, surplus funds may be transferred into the Capital Fund.

Gifts

In appreciation of community support, the LaGrange Association Library accepts gifts, donations, and memorials. Monetary gifts given without restriction will be utilized to purchase materials or equipment, support Library programs, or in other ways that the Library Board deems appropriate.

Monetary gifts offered with specific restrictions, including endowment funds, require Board approval of such restrictions before such monetary gifts are accepted by the Library. Restrictions must be submitted in writing.

Books and audio-visual items purchased with a monetary gift can be commemorated with a special bookplate, acknowledging the donor's generosity. The Library will also send the honoree(s) a formal announcement of said donation if desired

Gifts to the LaGrange Association Library are tax-deductible and must be accompanied by the Library Gift Form.

Donations of materials will be judged by the same selection standards that apply to purchased materials, as noted in the Library's Collection Development Policy. The cost of processing, availability of space, and the physical condition of the item are additional factors in the selection process.

Gifts of materials are accepted with the understanding that items which are not added to the collection will be sold in the Friends of the Library book sale or disposed of at the discretion of the Library Board and/or Director. Donated materials will not be returned to the donor. Proceeds from the Friends of the Library book sales are used to support Library programs and services.

Personal property shall only be accepted on the condition that it may be retained, sold, given away or discarded at the discretion of the Library Board of Trustees and/or the Library Director. An appropriate deed of gift, or similar document, transferring sole and exclusive ownership of the item(s) to the Library will be required.

The Library will not appraise or estimate the value of gift donations. The responsibility for this assessment lies with the donor. The Board of Trustees reserves the right to refuse any gift.

Inventory & Fixed Assets

Purpose

The LaGrange Association Library will maintain an inventory of fixed assets and a record of capital expenditures. The purpose of this policy and the maintenance of these records is to:

- Maintain a physical inventory of assets
- Establish accountability
- Determine replacement costs
- Provide appropriate insurance coverage

Administration and execution of this policy are the responsibility of the Library Director acting under the authority of the Library Board of Trustees.

Definitions

Capitalization Threshold – The minimum acquisition cost of an asset for it to be considered a fixed asset. Assets not meeting the capitalization threshold are expensed in the period of acquisition. The minimum cost for the category of equipment, fixtures, furniture, and property is \$500.

Equipment – Equipment includes computers, copiers, postage machines, printers, scanners, shredders, telephone systems, and vacuum cleaners.

Fixed Asset – Fixed assets are assets purchased or constructed by the LaGrange Association Library that have:

- A useful life of one (1) or more years
- Physical characteristics not appreciably affected by use or consumption
- A value equal to or greater than the capitalization threshold

Furniture – Includes tables, chairs, desks, shelving, and file cabinets.

Useful Life – The useful life of an asset is the period of time over which an asset may reasonably be expected to be utilized for its intended use, as measured from the time when the asset is first placed into service. The useful life should be based on estimates not exceeding the period of probable usefulness per NYS Local Finance Law.

Guidelines

The Library will maintain an inventory for external financial statement purposes of all fixed assets in place. Fixed assets are equipment, fixtures, furniture, and property with an initial acquisition cost of \$500 or more per item and an expected useful life of greater than one year. The acquisition cost is the cash outlay made to acquire the asset (or in the case of donated assets, its fair value equivalent on the date of transfer) and put in operating condition. All fixed assets will be inventoried. Each inventory record includes the following:

- Acquisition Date / Date Placed in Service
- Item Description (including manufacturer, where applicable)

- Serial Number
- Location
- Acquisition Cost
- Estimated Replacement Date
- Replacement Cost
- Salvage Cost
- Date of Disposition
- Method of Disposition
- Official Responsible for Disposition

Capital expenditures do *not* include:

- Ordinary repairs that do not increase the value or extend the life of the asset
- Routine operating costs such as annual maintenance contracts

At a minimum, the inventory will be reviewed on an annual basis. The Director shall arrange for the annual inventory of library equipment, fixtures, furniture, and property. Any discrepancies between an inventory and the property records on file should be traced and explained.

Equipment & Leased Equipment

Equipment should be capitalized in accordance with the Governmental Accounting Standards Board (GASB).

Depreciation

Depreciation is the process of allocating the cost of tangible property over a period of time, rather than deducting the cost as an expense in the year of acquisition. Eligible fixed assets should be depreciated over their estimated useful lives. Generally, at the end of an asset's life, the sum of the amounts charged for depreciation in each accounting period will equal original cost less the salvage value.

Fixed assets acquired having a value equal to or greater than the established threshold are considered depreciable assets and shall be inventoried for the purposes of GASB 34 accounting practices and placed on a depreciation schedule according to its asset class and estimated useful life as stipulated by the NY State Comptroller's Office or the IRS. Assets shall be recorded at initial cost or, if not available, at estimated initial cost; gifts of fixed assets shall be recorded at estimated fair value at the time of the gift.

Information Needed to Calculate Depreciation

To calculate depreciation on a fixed asset the following five factors must be known:

1. The date the asset was placed in service
2. The asset's cost or acquisition value
3. The asset's salvage value
4. The asset's estimated useful life, and
5. The depreciation method

Depreciation Method

The Library has established the straight-line methodology for depreciating all fixed assets. Under the straight-line depreciation method, the basis of the asset is written off evenly over the useful life of the asset. A half year depreciation will be taken in the year of acquisition and disposal. The amount of annual depreciation is determined by dividing an asset's cost reduced by the salvage value, if any, by its estimated life. The total amount depreciated can never exceed the asset's acquisition cost less salvage value. At the end of the asset's estimated life, the salvage value will remain.

Asset Retirement

An asset that is fully depreciated is retired by removing it from the current period accounting record. However, it is still listed in the Library's asset register. If it is still in service, the Actual Replacement Date will be left blank.

When retiring an entire asset, any undepreciated balance will be reported as a disposal expense net of any value received.

Approved by the Board of Trustees on December 8, 2022

Investments

Scope

These assets are accounted for in the various funds of the Library and include the general operating fund, capital project fund, and any new funds that may be established by the LaGrange Association Library in the future.

Responsibility for administration of the investment program is delegated to the Finance Committee of the Board of Trustees. This committee shall establish written procedures for the operation of the investment program consistent with the investment guidelines outlined in this policy.

- Risk Avoidance – The security of monies, whether on hand or invested, shall be of primary concern to the Finance Committee in selecting depositories or investments. All attempts shall be made to minimize risks in investment through diversification so as to

minimize the risk of loss resulting from an over-concentration of funds in a specific maturity, issuer, industry, geographical area, or class of securities.

- Liquidity – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that might be reasonably anticipated.
- Return – The Finance Committee shall seek to attain a market average or better rate of return throughout budgetary and economic cycles, taking into account risk, constraints, cash flows, and legal restriction on investment.

The duration of the portfolio’s assets will be limited to not more than 10 years.

Short-term and Other Investments:

- Real Estate Related – The real estate investments of the Fund may include REITS and other pooled funds.
- Short-term (Cash Equivalent) Investments – All securities will have the highest ratings by Moody’s or Standard and Poor.

When the Library receives gifts of stock certificates, the Board Treasurer will turn the stock over to the local security firm of choice within two working days so that the Library becomes the owner of record.

Collateral Requirements

Collateral instruments shall be negotiable obligations of the U.S. Treasury or any agency or instrumentality of the United States government.

Collateral instruments shall have a market value of at least 100% or greater of the applicable deposit balance.

The collateral shall be held in the Library's name by a third party institution satisfactory to the Finance Committee.

Safekeeping will be documented by an approved written agreement.

Maturity Guidelines

As is reasonably prudent, the Finance Committee will attempt to match deposits/investments with anticipated cash flow requirements to take best advantage of prevailing economic and market conditions. No bond, bond mutual fund, or regular money market fund investment shall have a maturity date, or average maturity date, of more than ten years from its date of purchase, unless the investment is matched to a specific obligation or debt of the Library. Individually purchased bonds and obligations shall not carry any provision for call before maturity. Any investment made must be entered into with a reasonable expectation to be held to maturity unless defined opportunities exist to better achieve the deposit/investment objectives denoted in this Investment Policy.

Reporting

The Finance Committee will track all investments and report annually to the Board of Trustees.

Adoption

This Investment Policy shall be adopted by resolution of the Library's Board of Trustees.

The following forms of library card are acceptable: original library card or key-fob card, library card stored on a club card app on a smart phone, or a photo of the back barcode of the library card stored on a smart phone. The only exception to presenting a library card would be a valid photo ID with the address matching the address on the library account record.

Replacement cards

A fee of \$1.00 will be charged to replace a lost LaGrange Library card.

Meeting Rooms

The meeting rooms at LaGrange Library are used primarily for programs conducted or sponsored by the Library, and secondarily, for programs of established and recognized institutions, groups, individuals and associations with educational, cultural, or civic purposes. The fact that a group is permitted to use the room does not in any way constitute an endorsement of the group's policies or beliefs by the Library. All meetings must be open to the public.

As long as events do not conflict with one another, there is no objection to regular meetings of the same group; however, in fairness to the numerous groups of the community, reservations are taken not more than 3 months in advance.

A Meeting Room Application should be submitted to the Library administration at least 3 weeks in advance of the scheduled event. An individual responsible for the event must complete and sign the application form. Cancellations or change of event dates or times must be cleared with the administrator of the library so the room may be made available to another group.

General Rules of Use

1. Meeting rooms may not be used for religious worship services, commercial and/or for-profit purposes, including investment seminars, sales/service demonstrations, marketing of goods or services, etc. Sale of merchandise is strictly prohibited.
2. Political meetings are acceptable for the discussion of issues but not for campaign purposes, party caucuses, or meetings closed to the public.
3. Except as a designation of location, the name of the Library may not be used in any publicity relating to use of its meeting rooms.
4. Individuals or groups using the meeting rooms shall secure any necessary performance licenses and indemnify the Library for any failure on their part to do so.
5. Attendance at authorized meetings may not exceed the maximum room capacity of 49 people for the Community Room and 19 people for the Conference Room.
6. No cooking may be done or food served without approval. No alcohol may be served at any time. No smoking is permitted. Burning of any materials, including incense and candles, is prohibited.
7. There is no charge for use of the meeting rooms during the Library's regular hours of operation. Events must begin and end during Library hours. Meeting rooms must be vacated 15 minutes before the closing time of the Library.
8. Use of meeting rooms not during regular Library hours will require a non-refundable fee of \$25.00 per hour of occupancy for non-profit groups and \$50.00 per hour of occupancy for for-profit groups to be paid at the time of reservation and is contingent on staff being available to open and close the room before and after the program.
9. The meeting rooms must be left in acceptable, un-littered condition. Tables and chairs should be returned to the positions in which they were found.
10. Meetings must be conducted in such a way as not to disturb library operations.

11. Use of audio-visual equipment must be arranged at time of reservation.
12. Library personnel will not move or arrange any equipment or furniture before, during, or after the program/meeting.
13. The Library will not provide storage space and assumes no responsibility for equipment or personal articles belonging to applicants or their guests.
14. The individual applicant accepts liability for either damage to library facilities or loss of library property and shall be responsible for paying the cost of any damage or loss incurred by the Library by the actions of any member of the organization or group. The Library is the sole determinant of whether damaged furnishings or equipment can be repaired or must be replaced. The individual, organization, or group will not be permitted to reserve a meeting room again until the costs of repairs or replacement of damaged items have been paid.
15. The Library assumes no responsibility or liability for accidents or injury.
16. The Library reserves the right to close due to adverse weather conditions and will attempt to contact the applicant.
17. The applicant assumes responsibility for participant accommodations (e.g. assistive listening devices, etc.) and specific articles of compliance as required by the Americans with Disabilities Act.
18. Library personnel must have free access to the meeting rooms at all times. The Library retains the right to monitor all meetings conducted on the premises to ensure compliance with the above regulations. Infringement of any of the regulations here stated shall be grounds for denial of future use of meeting space.

Meeting Rooms policy is determined by the Board of Trustees, and is subject to review and revision at the discretion of the Board. Exceptions may be made at the discretion of the Library Board of Trustees in the interests of the Library and the community. Appeals to any of these policies may be submitted to the Board of Trustees in writing.

Museum Passes

The LaGrange Association Library is pleased to offer a selection of area museum passes to patrons free of charge with the express purpose of enhancing the community's cultural access. Museum passes may be borrowed free of charge by town of LaGrange residents, 18 years of age or over, with a library card in good standing (i.e. no outstanding fines totaling \$10 or more).

Patrons are required to verify the museum's hours of operation as well as their terms and conditions placed upon the pass before travel to the museum. Most family passes admit two adults and up to four accompanying children, though it is the patron's responsibility to verify coverage. The Library will not provide additional funds for admission beyond the issuance of the family museum pass.

Passes are subject to availability, and are reserved on a first-come, first-served basis via TixKeeper at www.laglib.org. Only one pass may be borrowed per library card at a time. Borrowers must return a pass before borrowing another one. The Library reserves the right to monitor usage to ensure fair access to the greatest number of patrons.

Passes may be borrowed for 1, 2 or 3 days depending on the location of the institution from the Library, as well as the Library's operating hours. Museum passes will be barcoded and checked out like other circulating material. Passes must be returned to a circulation desk clerk at LaGrange Library no later than one hour before Library closing on the due date.

A fee of \$25 per day will be charged to the borrower for passes held beyond the due date. A pass not returned within seven days after the due date will be considered lost and the borrower charged the current fine or replacement cost, whichever is greater. At this point, a replacement fee based on the museum's replacement conditions will be applied to the patron's library record.

Borrowers are responsible to call the museum directly for hours of operation, parking or directions. Each museum determines the rules and regulations governing the use of its museum pass. The museum pass may not provide admission to all exhibits at the museum.

Borrowers are advised to have a backup plan in case the museum is unexpectedly closed, or if a museum pass is not returned in time. The Library assumes no responsibility of any kind arising out of the reservation or use of museum passes or any parking accommodations.

Naming Rights

Purpose

The LaGrange Association Library (LAL) seeks to recognize persons who have supported the Library through substantial financial contributions. The Library provides naming opportunities in recognition of individuals and corporations for outstanding services towards the development of the Library and for significant financial contributions. These naming opportunities, with necessary Board of Trustee (hereinafter “Board”) approval may include, but are not limited to, naming rooms in the building, furnishings and equipment, library collections, or by way of a designated plaque or nameplate.

A proposal for naming rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate in honor of a member of the community will also be considered when that person has given distinguished service to the Library that merits recognition in the Library’s history.

Only individuals and organizations whose actions and/or programs are compatible with the mission, policies, goals and values of LAL will be considered in naming rooms in the building, furnishings and equipment, library collections, or by way of a designated plaque or nameplate.

General Definitions

The Naming Rights Policy includes internal features, which may be naming rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate. Other items may be recommended for naming after consultation with the Library Director and Board.

Definitions

1. A *room* in the building may include an enclosed room, designated areas such as a periodicals section, or interior wall.
2. A *designated plaque or nameplate* may include an inscribed commemorative thin, flat plate or tablet of metal, porcelain, etc., intended for ornament, as on a wall, or set in a piece of furniture.
3. A *collection* is groups of books, media, and other information items.
4. *Furnishings and equipment* include furniture, computers, mobile devices, and similar articles that are not a fixed part of the building and have a short life span.
5. *Financial contributions* include outright gifts of money, securities, in kind donations, and endowments.

Guidelines for Naming

Appropriate financial contributions for such naming opportunities will be at the discretion of the Board. Rooms, furnishings and equipment, and library collections may be named directly after the benefactor, or by way of a designated plaque or nameplate, or may retain or be given a functional title, following which the benefactor will be recorded as its sponsor.

Proposals for naming should be submitted to the Library Director and should contain specific information in support thereof, including any guidelines on how the donated funds are to be used to support the named room or area. If endorsed by the Library Director, the proposal will be forwarded to the Board for approval. The Board reserves the right to name rooms, designated plaque or nameplate furnishings and equipment, or library collections according to what is best for the function of the Library.

A proposal for naming rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate in honor of a person will normally be considered when that person is a major benefactor to LAL that merits recognition.

All documents must be finalized before the Library issues final approval for a naming opportunity. No publicity shall be initiated until a contract is in place.

While the Board is grateful for and encourages donations from all individuals, businesses and organizations, the Board has the right to decline any gift to the Library and/or reject naming proposals. The Board reserves the right to terminate or alter a naming designation.

Naming rights will not extend beyond the normal life of the space. In the event the room or building is significantly altered during the agreed upon time when the gift was made, the Board will roll the name forward in a similar capacity.

In the event that LAL does not receive the full amount of the donation for the naming opportunity, the Library Director may recommend to the Board that the use of the benefactor's name for the area be discontinued.

Regulations

I. Naming Rooms in the Building

A. LAL will consider naming rooms when a person or corporation has given outstanding service or a financial contribution towards the room.

B. Recognition will be for 20 years or for the life of the room (whichever is less), unless the individual or corporation provides continuing or additional support.

II. Furnishings and Equipment, Collections

A. LAL will recognize a major financial contribution for the purchase of furnishings and equipment, library collections or other by placing the name of the benefactor on a designated plaque or nameplate within the facility.

III. General

A. A naming opportunity must be consistent with LAL's mission and goals.

B. If the naming of rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate is based on outstanding service to the library by an individual who is deceased, the next of kin or the family of a person whose name is being considered to naming rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate will be notified in writing prior to completion of the naming process.

C. The naming of a room, furnishings and equipment, library collections, or by way of a designated plaque or nameplate shall be finalized only after the financial commitment by the

individual or corporation has been honored in full and not on the basis of a pledge for future funds, unless a contract is entered into for such purposes.

IV. Indexation

At the discretion of the Board, the levels of financial contributions quoted will be adjusted to reflect changes in economic conditions.

Gift Recognition Replacement-Special Considerations:

A request to rename a room, furnishings and equipment, library collections, or by way of a designated plaque or nameplate shall conform to the following principles:

Any request to rename, add, or remove a name from a room within the Library should include documentation pertaining to the original approval and subsequent name change proposal. In the event that donor names must be removed for new construction, or in the event the Library is destroyed by natural disaster and is rebuilt to be used for its original purpose, recognition shall be replaced per the original agreement.

In the event the building is drastically altered through construction, the Board shall reserve the right to add/alter gift recognition, including the room's naming. Any donor plaques displaced as a result of this will be rededicated in an alternative location in accordance with the time frame developed for the original gift.

When a named room has reached the end of its useful life and will be replaced or substantially renovated, the replaced or renovated space may be renamed in recognition of a new donor or honoree. Appropriate recognition of earlier donors or honorees shall be included in, or adjacent to, new, renovated or redeveloped facilities.

Dedication Ceremony and Plaque, Inscription, or other Recognition:

The Board reserves the right to choose the wording, size, location and style of the plaque inscription, or other recognition. An appropriate dedication ceremony may be planned and conducted.

Request Procedures:

1. Proposals for naming rooms, furnishings and equipment, library collections, or by way of a designated plaque or nameplate may be submitted at any time during the year to the Library Director for review.
2. A proposal should include:
 - a) Applicant name
 - b) Contact Information including address, telephone, and email address
 - c) Naming opportunity of interest
 - d) Statement of the amount and method of the financial contribution to the Library
 - e) Statement of the outstanding services toward the development of the Library when the recognition is based upon merit rather than financial contributions
 - f) Justification compliant with the criteria and objectives outlined in this policy

3. An official letter of response will be sent acknowledging the proposal and outlining the steps necessary to proceed with the naming process or declining the proposal and stating the reason for this action.
4. The Director will present to the LAL Board the naming proposal with appropriate documentation
5. The Board will approve the design, wording, and placement of any permanent plaques, inscriptions or other recognitions.

Nepotism

The employment of relatives in the same organization may cause serious conflicts and problems with favoritism and employee morale. For the purpose of this policy, “relatives” are defined as a father, mother, brother, sister, son, daughter, grandfather, grandmother, grandchild, cousin, aunt, uncle, nephew, niece, step or in-law equivalents, spouse, domestic partner or child of a domestic partner.

In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships causing a negative impact to the overall work environment.

The Library has determined that it will be in its best interest to:

1. Avoid conflicts of interest between work-related and family-related obligations
2. Reduce favoritism or even the appearance of favoritism
3. Prevent family conflicts from affecting the workplace

In order to meet these goals, no relative of the Library Director, Library Board of Trustees, or Library supervisory staff shall be considered for employment by the LaGrange Association Library.

If employees become relatives after both employees are hired by the Library, the employees shall not thereafter work in any position or location where a direct line of supervision exists between such employees.

It is the responsibility of every employee and trustee to identify to the Library Director, or Board President, any potential or existing personal relationships which fall under the scope of this Policy.

Any circumstances not referenced in this policy will be addressed as needed.

I. PEOPLE

A. Physical Distancing. To ensure employees comply with physical distancing requirements, you agree that you will do the following:

- Ensure 6 ft. distance between personnel, unless safety or core function of the work activity requires a shorter distance. Any time personnel are less than 6 ft. apart from one another, personnel must wear acceptable face coverings.
- Tightly confined spaces will be occupied by only one individual at a time, unless all occupants are wearing face coverings. If occupied by more than one person, will keep occupancy under 50% of maximum capacity.

STAY HOME.

STOP THE SPREAD.

SAVE LIVES.

- Post social distancing markers using tape or signs that denote 6 ft. of spacing in commonly used and other applicable areas on the site (e.g. clock in/out stations, health screening stations)
- Limit in-person gatherings as much as possible and use tele- or video-conferencing whenever possible. Essential in-person gatherings (e.g. meetings) should be held in open, well-ventilated spaces with appropriate social distancing among participants.
- Establish designated areas for pick-ups and deliveries, limiting contact to the extent possible.

List common situations that may not allow for 6 ft. of distance between individuals. What measures will you implement to ensure the safety of your employees in such situations?

Only staff will be in the building during the first phase of our reopening and we will be able to maintain the 6 ft. distancing. All staff will wear face masks as an extra precaution. To ensure staff and patron safety when 6 ft. distancing is not possible while assisting patrons, staff will wear properly fitted face masks provided by the Library at all times, patrons will be required to wear properly fitted face masks in the Library, and sneeze guards will be installed at the public service desks as a protective barrier during patron interactions.

How you will manage engagement with customers and visitors on these requirements (as applicable)?

Compliance with these requirements are part of the Library's Patron Code of Conduct Policy. No customers or visitors will be allowed in the Library without a properly fitting face mask. If they cannot wear a mask for medical reasons, reasonable accommodations will be made for them to use access library materials and services. If they have forgotten a mask, the Library will provide a disposable mask. If they refuse to wear a mask for any other reason, they cannot enter the Library and must utilize curbside pickup of materials only.

How you will manage industry-specific physical social distancing (e.g., shift changes, lunch breaks) (as applicable)?

Staff will be scheduled to allow for no overlap in shifts and lunch breaks to ensure proper physical distancing at all times.

II. PLACES

A. Protective Equipment. To ensure employees comply with protective equipment requirements, you agree that you will do the following:

- Employers must provide employees with an acceptable face covering at no-cost to the employee and have an adequate supply of coverings in case of replacement.

What quantity of face coverings – and any other PPE – will you need to procure to ensure that you always have a sufficient supply on hand for employees and visitors? How will you procure these supplies?

40 cloth face masks will be supplied to staff: 2 for each staff member to allow for laundering. These masks were sewn by a volunteer as per the specifications from the Centers for Disease Control. Disposable, waterproof gloves and disposable masks for patrons will be available in continuous supply, ordered from an online vendor. Sneeze guards will be installed at each public service desk, ordered from an online vendor.

STAY HOME.

STOP THE SPREAD.

SAVE LIVES.

- Face coverings must be cleaned or replaced after use or when damaged or soiled, may not be shared, and should be properly stored or discarded.

What policy will you implement to ensure that PPE is appropriately cleaned, stored, and/or discarded?

Staff will be required to launder their masks after each use and discard any damaged ones.

- Limit the sharing of objects and discourage touching of shared surfaces; or, when in contact with shared objects or frequently touched areas, wear gloves (trade-appropriate or medical); or, sanitize or wash hands before and after contact.

List common objects that are likely to be shared between employees. What measures will you implement to ensure the safety of your employees when using these objects?

Library materials, book carts, telephones, writing implements, computer keyboards. Staff will be required to wear properly fitted face masks and disposable, waterproof gloves on their shifts. The staff will disinfect any shared objects at the end of their shifts and gloves will be properly disposed of.

B. Hygiene and Cleaning. To ensure employees comply with hygiene and cleaning requirements, you agree that you will do the following:

- Adhere to hygiene and sanitation requirements from the [Centers for Disease Control and Prevention](#) (CDC) and [Department of Health](#) (DOH) and maintain cleaning logs on site that document date, time, and scope of cleaning.

Who will be responsible for maintaining a cleaning log? Where will the log be kept?

A staff member will be responsible for maintaining the cleaning log, which will be kept on a clipboard behind the check-out desk.

- Provide and maintain hand hygiene stations for personnel, including handwashing with soap, water, and paper towels, or an alcohol-based hand sanitizer containing 60% or more alcohol for areas where handwashing is not feasible.

Where on the work location will you provide employees with access to the appropriate hand hygiene and/or sanitizing products and how will you promote good hand hygiene?

There are no restrooms in the Library. The Library will have hand sanitizer available at all public service desks, in the staff break room, and on the public computer table. Good hand hygiene will be promoted verbally and on signage throughout the Library. There are common restrooms, shared by all the businesses in the building, which are the responsibility of the landlord.

STAY HOME.

STOP THE SPREAD.

SAVE LIVES.

- Conduct regular cleaning and disinfection at least after every shift, daily, or more frequently as needed, and frequent cleaning and disinfection of shared objects (e.g. tools, machinery) and surfaces, as well as high transit areas, such as restrooms and common areas, must be completed.

*What policies will you implement to ensure regular cleaning and disinfection of your worksite and any shared objects or materials, using **products** identified as effective against COVID-19?*

Staff will be instructed on the proper cleaning and disinfecting of their work areas and shared objects at the end of their shifts. They will be responsible for doing so with a designated cleaning product effective against COVID-19.

C. Communication. To ensure the business and its employees comply with communication requirements, you agree that you will do the following:

- Post signage throughout the site to remind personnel to adhere to proper hygiene, social distancing rules, appropriate use of PPE, and cleaning and disinfecting protocols.
- Establish a communication plan for employees, visitors, and customers with a consistent means to provide updated information.
- Maintain a continuous log of every person, including workers and visitors, who may have close contact with other individuals at the work site or area; excluding deliveries that are performed with appropriate PPE or through contactless means; excluding customers, who may be encouraged to provide contact information to be logged but are not mandated to do so.

Which employee(s) will be in charge of maintaining a log of each person that enters the site (excluding customers and deliveries that are performed with appropriate PPE or through contactless means), and where will the log be kept?

A staff member will be assigned the responsibility of maintaining this log and it will be kept on a clipboard behind the front desk.

- If a worker tests positive for COVID-19, employer must immediately notify state and local health departments and cooperate with contact tracing efforts, including notification of potential contacts, such as workers or visitors who had close contact with the individual, while maintaining confidentiality required by state and federal law and regulations.

If a worker tests positive for COVID-19, which employee(s) will be responsible for notifying state and local health departments?

The Library Director will notify the Dutchess County Health Department. If the Director is unavailable for any reason, the next person-in-charge will do it.

STAY HOME.

STOP THE SPREAD.

SAVE LIVES.

III. PROCESS

A. Screening. To ensure the business and its employees comply with protective equipment requirements, you agree that you will do the following:

- Implement mandatory health screening assessment (e.g. questionnaire, temperature check) before employees begin work each day and for essential visitors, asking about (1) COVID-19 [symptoms](#) in past 14 days, (2) positive COVID-19 test in past 14 days, and/or (3) close contact with confirmed or suspected COVID-19 case in past 14 days. Assessment responses must be reviewed every day and such review must be documented.

What type(s) of daily health and screening practices will you implement? Will the screening be done before employee gets to work or on site? Who will be responsible for performing them, and how will those individuals be trained?

Employees will be screened prior to coming to work by completing an online questionnaire with pertinent questions as indicated above. If they answer yes to any of the questions, they will remain at home, following the guidelines for a quarantine period, COVID-19 testing, and/or COVID-19 treatment.

If screening onsite, how much PPE will be required for the responsible parties carrying out the screening practices? How will you supply this PPE?

N/A

B. Contact tracing and disinfection of contaminated areas. To ensure the business and its employees comply with contact tracing and disinfection requirements, you agree that you will do the following:

- Have a plan for cleaning, disinfection, and contact tracing in the event of a positive case.

In the case of an employee testing positive for COVID-19, how will you clean the applicable contaminated areas? What products identified as effective against COVID-19 will you need and how will you acquire them?

All surfaces, doorknobs, and other shared objects will be cleaned with a CDC approved product obtained from an online vendor. If unable to obtain said product, the CDC recommended bleach-to-water ratio solution will be used. The bleach is easily acquired from many local stores.

In the case of an employee testing positive for COVID-19, how will you trace close contacts in the workplace? How will you inform close contacts that they may have been exposed to COVID-19?

The staff schedule and visitor log will be used to identify individuals who may have come in contact with the employee and they will be contacted accordingly.

Pandemic

The purpose of this policy is to establish the protocol that will be used in the event of a pandemic. If there is a serious infectious disease outbreak, the LaGrange Library must plan for staff being unable to report to work. In addition, other public health measures may require limiting or canceling social and public gatherings, quarantines and/or other social distancing measures which can impact library hours and services. If there is a serious infectious disease outbreak, recovery may be slow and it is important to ensure that core business activities of the Library can be maintained for several weeks or more with limited staff and reduced hours.

At the discretion of the Library Director or the Library Board President, the LaGrange Library may close, reduce its operating hours, or limit services temporarily (e.g. passport processing, programming) in the event that there is not sufficient staff to maintain basic library service levels.

The Library staff and board are committed to providing excellent library service while doing all they can to support the health of the community.

Closure

The Library will close due to pandemic if a mandate order or recommendation for closure is issued by public health or government officials on the local, county or state level.

The Library may close if (1) any or all of the schools within the Arlington Central School District close, or (2) fewer than three staff members are able to report to work.

In the event of closure, the Library Director or designee will follow the communication procedures, submit payroll as usual, and pay bills as soon as possible.

The exterior book drop will be kept open and cleared periodically as long as possible.

In the event of a closure of more than five business days, the Mid-Hudson Library System will be notified and asked to remove the LaGrange Library from the paging list for holds. As soon as a re-open date is confirmed, MHLS will be notified of the date.

Curtailed Hours

In the event that only three library staff are able to report to work, Library hours will be curtailed. Shortened hours will be Monday, Wednesday, and Friday 4-8 pm and Tuesday, Thursday, and Saturday 10-2.

Story Times and Programs

Story times, programming, and passport processing may continue as library hours and staffing permit and there are no mandated limits on public gatherings. The public will be notified of any cancellations or changes via the established communication procedures, including telephone calls to program registrants if necessary.

Staffing and Compensation

If the library is open, healthy staff are expected to report to work. In the event of curtailed hours, staff who work will be paid for their regularly scheduled hours. Staff unable to work will use paid time off. In the event of closure, all staff shall be compensated for their regularly scheduled hours.

Communication Procedures

In the event of curtailed hours or closure necessitated by pandemic, effective communication is a priority. Information will be posted for the public on the Library's homepage, Facebook page, Instagram, Twitter, and on a sign outside the Library. Information will be relayed to the staff via text or telephone, as per our usual procedure. The message on the Library phone will be changed to relay emergency closings, curtailed hours, etc. Every effort will be made to keep all information current for the staff and the public.

Responsibility for Library Operations

If for any reason the Library Director is unable or unavailable to perform the responsibilities and decisions outlined in this policy, administrative authority for this policy and all library operations shall be passed to the Bookkeeper/Public Information Coordinator. If the Bookkeeper/Public Information Coordinator is unable to perform the responsibilities and decisions, administrative authority will pass to the Head of Circulation.

Prevention

Surfaces and objects (keyboards, computer mice, doorknobs, light switches, desks, telephones, etc.) will be disinfected daily. Staff will be reminded of the importance of frequent and thorough hand washing.

If a serious infectious disease outbreak reaches our community, staff with even a mild cough or low-grade fever will be advised to stay home. Staff should also stay home if they have had to take simple medications such as acetaminophen, ibuprofen or aspirin, which may mask symptoms of infection. Visitors to the Library who are obviously ill will be asked to leave the Library and anything they touched will be disinfected.

Patron Complaints

This policy addresses patron complaints regarding LaGrange Association Library's public services, materials, procedures or policies. It is the goal of the staff and Board of Trustees of the LaGrange Association Library to provide the highest quality of service to our patrons in a fair and efficient manner to all individuals. Visitors who have experienced difficulties with services or who wish to question a library policy are always welcome to discuss those concerns with the Library's management staff (Library Director or Head of Circulation). Library staff will endeavor to resolve those issues as quickly and fairly as possible. If an informal meeting with Library staff does not settle the complaint, a patron may request to enter into the Library's formal grievance procedure.

Patron Grievance Procedure

1. A patron who wishes to file a formal grievance about a Library policy, procedure, service, or staff member's conduct, should submit a complaint in writing (non-electronic) to the Library Director which should include the date of the complaint; the name, address, and telephone number of the individual making the complaint; and a detailed explanation of the issue. If the complaint deals with a specific incident, it should also include the date of the incident. A printed complaint form is available, but its use is not mandatory. The Library Director will respond in writing within fourteen (14) business days of the complaint.
2. If the complainant is not satisfied with the response of the Library Director, the individual may request that the issue be brought before the Library's Board of Trustees. Requests for Board consideration will be in writing and be presented no longer than 30 business days after the decision by the Library Director. If the Board chooses to review the issue, it will be placed on the agenda of the next upcoming Library Board meeting.
3. The issue will be discussed at an open public meeting of the Board of Trustees. If the Board finds that it has ample information to make a decision, the Board will render a decision at that time. Summaries of all discussion at open library board meetings will be recorded in the minutes as part of the public record. Board minutes are open to the public after they have been approved by the Board of Trustees.
4. The Board may determine that added information, testimony, or expert advice is needed to render a fair decision. In that case, the Board may choose to postpone the decision to the following meeting or to hold a special meeting of the Board of Trustees for the express purpose of handling the complaint. All efforts will be made to hear the complaint and to render a decision in a timely manner. The final decision will not be rendered any later than 90 business days after the complaint to the Board is received by the Library Director.
5. The decision of the Board of Trustees is final.
6. The Library will maintain an accurate record of the action taken at each level of the complaint process.

7. This policy does not apply to complaints relating to an exhibit or an item in the Library's collection. Such complaints must follow the procedures set forth in the Exhibits Policy or the Challenged Materials Policy, respectively.

Photography, Recording & Filming

The most significant priority for the LaGrange Association Library is to provide library services to the community. Any photography, recording, or filming is allowed only to the extent that it does not interfere with the provision of such library services and is consistent with the Library's Patron Code of Conduct.

Federal courts have deemed public libraries to be a limited public forum in terms of First Amendment rights, meaning that a library may use discretion to reasonably restrict the exercise of free speech in its building. The LaGrange Library reserves the right to limit filming and photography inside its facility when such restrictions serve Library purposes. The Library and its staff shall have the sole discretion to determine whether such photography, recording or filming interferes with Library operations or patrons' use of the Library.

1. **Casual** (for noncommercial purposes) amateur photography, recording, or filming is permitted in Library facilities for patrons and visitors wanting a remembrance of their visit or to document materials available in the Library. The use of additional equipment such as lighting is not permitted. Casual photography, recording or filming may not capture any identifiable likeness of individuals without their permission. Except as permitted in **Section 3 below** by the Library's staff or representatives, in no circumstances may anyone take a photograph of, or otherwise make a recording or film of a Library patron, without the consent of the patron, or their parent/guardian, if a minor.
2. **Non-casual** (for commercial purposes) photography, recording or filming is prohibited in the Library without the prior written permission and approval of the Director. Such approval shall contain the conditions under which the non-casual photography, recording or filming will take place and address the rights to ownership of the product of such photography, recording or filming. Any persons engaging in such photography, recording or filming are responsible for arranging all necessary releases and permissions from the persons who are photographed, recorded or filmed.

For non-casual photography, recording or filming requests, please call 845-452-3141 or email lagrangelibrary@laglib.org.

The Library accepts no responsibility for images or recordings taken by members of the public. Any persons recording, filming, or photographing on Library premises have sole responsibility for gaining all necessary releases and permissions from persons who are recorded, filmed, or photographed. Failure to obtain releases and permissions from persons being filmed or photographed will be deemed unacceptable behavior for purposes of enforcing the Library's Patron Code of Conduct.

The Library welcomes news media photographers and reporters who are doing stories or projects that directly involve the Library and its programs. We encourage news media to contact us in advance of any visit, so as to make it easier for us to facilitate access.

Photography, recording or filming of Library events and programs will only be permitted with prior authorization of the Library staff and (where applicable) all presenters.

Outside groups making use of Library meeting facilities may arrange for photographers and news media during their event. In such a case, the event organizer must make an announcement at the beginning of the meeting or event that they have allowed photography, filming, and/or audio recording. Photography and media for such events are restricted to the space reserved by the group and may not take place in other areas of the Library.

3. Photography, Recording or Filming by the Library, its staff, or its representatives

When attending Library-sponsored classes or events, you are entering into an area where photography, recording or filming may occur. Prior to the start of the class or event, Library staff will notify attendees, or in the case of a minor attendee, the parent/legal guardian, that the class or event will be photographed, recorded or filmed.

Attending Library-sponsored classes or events constitutes consent of the attendee, and the consent of the parents or legal guardians of any minor children in attendance to photography, recording, filming and its/their release, publication, exhibition, or reproduction to be used for news, web casts, promotional purposes, telecasts, advertising, inclusion on websites, social media, or any other purpose by the Library and its affiliates and representatives. Images, photos, and/or videos may be used to promote similar Library-sponsored classes and events in the future, highlight the class or event, and exhibit the capabilities of the Library.

To ensure the privacy of all individuals, images will not be identified using full names or personal identifying information without a **Photo Release Consent Form** signed by the photographed subject or the parent or guardian of a photographed subject under the age of 18. Children under the age of 18 will be identified using their first name(s) only, not their full name(s).

You release the Library, its officers and employees, and each and all persons involved from any liability connected with the taking recording, digitizing, or publication and use of photographs, video and/or recordings.

By attending the Library-sponsored class or event, you waive all rights you may have to any claims for payment or royalties in connection with the use, exhibition, streaming, web casting, televising or other publication of these materials regardless of the purpose or sponsoring of such use, exhibiting broadcasting, web casting or other publication irrespective of whether a fee for admission or sponsorship is charged. You also waive any right to inspect or approve any photo, video or recording taken by the Library or person or entity designated to do so by the Library.

Revocation of Permission

Any consent granted pursuant to this Policy to permit photography, recording or filming may be revoked at any time upon failure to comply with terms of the Policy or other rules and regulations of the Library.

Programming

The LaGrange Association Library sponsors and conducts informative and entertaining talks, demonstrations, audio-visual presentations, workshops, children's storytimes and crafts, concerts, and other special events. Library programs are coordinated by library staff.

Selection of library program topics, speakers, courses, classes, and resource materials are made by library staff based on the interests and needs of library users and the community. Library sponsored programs may be conducted by in-house staff or outside presenters chosen for their proven expertise and public performance experience.

All adult library programs are open to the general public but some programs may be designed with specific audiences in mind, e.g. parents or seniors. Children and teen programs may be restricted by age level or residency. Program registration may be required and/or limited; waiting lists may be taken. Fees may be charged, depending on the nature of the program.

The Library's programs are promoted on its website, social media channels, posted fliers, and e-newsletter. Special events may be promoted through news releases. Programs targeted toward specific audiences are publicized as such. Programs may be cancelled for a number of reasons, including severe weather, low registration, or absence of the presenter. Patron fees associated with cancelled programs will be refunded in a timely manner. Cancelled programs are not automatically rescheduled.

The Library may offer programming in partnership with other community agencies, organizations, and educational institutions to enrich its offerings to library users.

Library programming shall not exclude topics, books, speakers, media, and other resources because they might be controversial. Acceptance of a program topic by the Library does not constitute an endorsement by the Library of the group's or individual's policies or beliefs. Concerns, questions, or complaints about library-initiated programs should be referred to the Library Director.

Public Relations

The public relations goals of the LaGrange Library are:

- To promote community awareness and active participation in Library services and programs
- To develop public understanding and support of the Library and its role in the community

The Board of Trustees recognizes that public relations involves every person who has a connection with the Library. The Board urges its own members and every staff member to realize that they represent the Library in every public contact. Good service supports good public relations.

The Board will establish and maintain a budget to cover costs related to printing, publication, postage, and supplies in order to ensure an effective media campaign.

All public relations materials must be reviewed and approved by the Library Director.

Emergency Situations

In the event of an emergency, official statements to the public and media will be made by the Library Director, Board President or designee placed in charge of the Library.

If it is necessary for the Library staff to provide the public with information, the Library administration will inform the staff what is to be said.

In the event that the Library has to close due to an emergency situation or inclement weather, the Library Director, Assistant Director or their designee will contact the media.

Social Media

The LaGrange Association Library (LAL) uses social media to create a welcoming online presence for users to find entertaining and useful information and to encourage interaction and involvement in order to expand the Library's connection with the community. LAL uses social media platforms to enhance communication between the Library and staff, patrons and the public, and to inform patrons about Library services, events, programs and updates.

Staff maintains and edits the content of LAL social media sites to comply with Library policies.

The Library Director must approve any and all representation of the Library on the Internet. No online accounts that represent LAL may be set up without the approval of the Director.

Social Media Definition

Social media is defined as websites and applications that enable users to create and share content or to participate in social networking. The Library utilizes Facebook, Instagram, and YouTube social media platforms to share photos, videos, web links, news, and information regarding Library programs, events and updates.

Rules For Public Commenting And Posting

Although comments and posts are welcome on many of the Library's social media sites, the Library does not intend to create an open forum through its social media presence. All comments, posts, and messages will be periodically reviewed and the Library reserves the right to, but is not required to, remove any comment, post, or message that it deems inappropriate or off-topic. Any views expressed are those of the individual poster, and the Library accepts no liability for the content of any such postings. Users are allowed to comment on, share, and tag the information posted by LAL.

Users should have no expectation of privacy in postings on Library sponsored media sites; by using such sites, you consent to the Library's right to access, monitor, and read any postings on those sites. Users must understand that social media is permanent, retrievable, and public. The Library recommends that users do not post their personal information or contact information on social media sites.

Roku Lending

In order to ensure equitable access for all LaGrange residents to the LaGrange Association Library's collection of Roku Media Streaming Players (Roku), the following policy applies:

LaGrange Association Library Roku Media Streaming Players may be borrowed by patrons 18 years and older who have had a library card for more than 90 days and have a current borrowing record with no current fines, no overdue items, no lost items, and no more than "one claims material returned" notation. The loan period is seven days.

Overdue fees for Roku Media Streaming Players are \$10.00 per day. There are no renewals or holds. Roku Media Streaming Players and all accessories must be returned to the LaGrange Association Library during operating hours. They may not be returned in the book drop. The fee for returning a Roku in the book drop or to any other library is \$25. Any loss incurred as the result of failed returns will be the responsibility of the borrower.

Failure to return Roku Media Streaming Players within one week of the due date will cause a block to the borrower's record prohibiting borrowing of any kind and a full replacement fee, not to exceed \$50, plus a \$15 processing fee to be charged.

The Roku is loaned with three accessories: Roku remote, Roku stick and a power cord.

Roku settings may not be altered. Content may not be downloaded or added. Tampering with Roku Media Streaming Players or software will result in a full replacement fee, not to exceed \$50, plus a \$15 processing fee.

Safe Child

LaGrange Association Library is dedicated to providing a warm, welcoming, exciting and safe environment for people of all ages. It is for the safety of each child that the Library has adopted this Safe Child Policy.

The safety of children left alone in the Library is a serious concern of the Library staff. The Library staff, however, have many duties to perform in order to serve all the residents in LaGrange. They cannot monitor the behavior and safety of children using the Library. The responsibility for the safety and behavior of children in the Library rests with the parent or caregiver and not with the Library staff. A caregiver is an individual 18 years of age and over, in accordance with New York State General Obligations Law Section 3-112, which defines an adult as a person 18 years of age or older.

Children under the age of 12 must be supervised at all times by a caregiver, who is an individual 18 years of age and over, or by their parent.

Children, ages 12-14, may use the Library on their own for a reasonable period of time, provided they are able to maintain proper library behavior in accordance with our Patron Code of Conduct. Parents are still, however, responsible for the actions of their children. Children using what is deemed inappropriate behavior by the Library staff may be asked to leave the Library. If a child of this age group is not able to leave the Library without an adult, he/she should not be in the Library alone. Children must also have the phone number of a parent or caregiver that may be contacted in an emergency.

Young people, ages 14-17, are treated as adult users. However, they are still legally the responsibility of their parents.

Unattended Children After Closing Time

Library staff will exercise appropriate procedures to ensure the safety of unattended children when the Library is closing. Parents are responsible for being aware of the times the Library opens and closes. Parents must also keep in mind that the Library may close unexpectedly for reasons out of the control of staff, such as a power outage.

- If no ride has arrived within 15 minutes after closing time, the staff will call the Sheriff's Department. Library staff will wait for the Sheriff with the child.
- Staff will record the parent's/caretaker's name, address, telephone number and the child's name.
- Once found, the parent/caretaker will be given a copy of the Safe Child Policy.
- Staff will refer any additional incidents to the Sherriff's Department.

Library staff cannot give rides to any child.

Violation of the Safe Child Policy may result in suspension of Library privileges for the family.

The Board of Trustees of the LaGrange Association Library enforces the New York State Public Health Law Section 1399-O which prohibits smoking in a public library or within one hundred feet of a public library entrance. Smoking is defined as a lighted cigar, cigarette, pipe, or any other matter or substance that contains tobacco, or products intended to mimic tobacco, including snuff or chewing tobacco products, use of an electronic cigarette, personal vaporizer, water pipes, or electronic nicotine delivery system, or any other battery powered vaporizer which produces a mist rather than cigarette smoke.

Comments, posts and messages are welcome and will be reviewed before publishing. The following are deemed inappropriate and will be removed before publishing:

- Potentially libelous comments
- Obscene or racist comments
- Personal attacks, insults or threatening language
- Plagiarized material
- Private, personal information published without consent
- Comments totally unrelated to the topic of the forum
- Commercial promotions or spam
- Hyperlinks to material that is not directly related to the discussion

By posting content, the user agrees to indemnify LaGrange Library and its officers and employees from and against all liabilities, judgments, damages and costs (including attorney's fees) incurred by any of them which arise out of or related to the content that you post. Forums and messaging may not be used for commercial purposes or for organized political activity.

LaGrange Library, reserves the right to monitor content before it is posted on all of its social software, websites and accounts, and to modify or remove any messages or postings that it deems, in its sole discretion, to be abusive, defamatory, in violation of copyright, trademark right or other intellectual property right of any third party, or otherwise appropriate for the service. LaGrange Library also reserves the right to edit or modify any submissions in response to requests for feedback or other commentary. Notwithstanding the foregoing, the LaGrange Library is not obligated to take any such actions and will not be responsible or liable for content posted by any subscriber in any forum, message board or other area within the service.

Travel, Continuing Education & Staff Development

The Travel, Continuing Education, & Staff Development Policy ensures that staff requests for professional development are awarded equitably. The LaGrange Association Library encourages its employees to take advantage of the many local and regional library training and professional development opportunities offered through the Mid-Hudson Library System at little or no cost.

The Library encourages all employees to attend staff development events, which will enhance the employee's skill set as it relates to their library duties. Priority in approving requests will be given to those requesters that have been selected to present or receive awards at conferences or events, or who have received financial assistance to attend specific conferences. Attendance at workshops, webinars, online meetings, courses, and conferences, when pertinent to the requester's job duties or professional development, and approved by the Library Director, will be considered as scheduled hours worked. As justification for attendance, the Library Director may require the requester to share knowledge learned with other LaGrange Library staff members.

The Library Director reserves the right to deny requests to reserve funds for other staff members to attend future events.

Initiating Continuing Education Request

Requests for local trainings that have no costs beyond hours worked and mileage reimbursement require the requester to notify the Library Director noting the name and location of the training.

Staff seeking reimbursement for trainings with additional costs besides mileage must notify the Library Director no less than 60 days prior to registering for the training.

Written notification of decision will be made to the requesting staff member as soon as possible, indicating either:

- Approval of funding and amount approved or
- Request denied and an explanation of reason for denial

Reimbursement Procedure

All receipts for expenditures should be submitted to the Library's Bookkeeper within 14 days of staff member's return to work. Receipts that are not submitted in a timely manner within the 14 day time limit may lose their eligibility for reimbursement. Expenses incurred without a receipt will not be reimbursed.

Additional Savings Opportunities

Staff should take advantage of early registration, reduced room rates, and any other discounts associated with their travel (e.g., double-room occupancy, etc.). While not necessarily a requirement for attendance, the availability of these opportunities may be a

determining factor in the Library Director's approval of a conference/staff development request. Failure to obtain cost savings may result in denial of the request or in amendments to approved reimbursements for the request.

Reimbursement Schedule Conference/Workshop/Course Fees

The Library will pre-pay an event registration, if a registration form is submitted and approved. If the requester pays for the registration fee using their own funds, they will be reimbursed after the event. In the latter case, the requester must present a receipt for the registration fee and proof of attendance, at the discretion of the Library Director, in order to be reimbursed. The Library Director may reimburse membership fees, pre- and post-training event costs, and other ancillary costs in instances where those costs will provide the Library savings on other expenses.

Transportation

Personal Automobile

The Library will reimburse mileage, at the current IRS Standard Mileage Rate, and any applicable tolls. When two or more staff attend the same event, they are expected to carpool unless a justifiable reason prevents it. The Library reserves the right to limit mileage reimbursement, if staff doesn't carpool without a justifiable reason.

When two or more staff travel together, only one will be reimbursed for the mileage allowance. No more than two staff members will be reimbursed for mileage expenses for the same conference or event. When submitting for mileage reimbursement the requester should provide a copy of the travel directions from a reputable source (i.e. Google maps, Mapquest, etc.). The directions must include the address of the training as a destination, the address of the Library or requestor's home (whichever is closer to the training location) and the trip distance in miles.

The Library Director will review the trip information for approval.

Rental Automobile

A rental automobile may be used when renting is considered to be more advantageous than other means of transportation. The need for a rental automobile must be outlined in staff member's initial request.

Air Travel

Pending approval, staff members must make airline reservations using the Library's credit card under the guidelines of the Library's Corporate Credit Card policy. Reservations should be made for economy class fare. Reimbursement for business or first-class airfare is not allowed. Incidental charges over basic fare should be pre-approved.

Other Forms of Transportation (Railroads, Buses, etc.)

These forms of transportation are allowed, but should not exceed the commercial air fare that would be reimbursable for the same trip. Ground transportation costs for

local transportation from the airport, train station, or other arrival point, will be reimbursed. Transportation to and from the hotel room and meeting space, and to other destinations will be reimbursed. Staff should take advantage of public transportation and cost savings opportunities for local transportation.

Lodging

The Library will pay for the cost of lodging within a reasonable level, at the discretion of the Library Director. Pending approval, staff members must make lodging reservations using the Library's credit card under the guidelines of the Library's Corporate Credit Card policy. When a staff member is attending a conference and conference rates are given at various hotels or motels, the staff member should make reservations at one of these locations, with the goal of keeping costs minimal. Other lodgings may be booked, but should not exceed the cost of hotel or motel conference rates. When two or more staff attend the same event, staff are required to share lodging unless a justifiable reason prevents it. The Library will not reimburse incidentals such as exercise facilities, movies, mini bar fees, forms of entertainment and the like.

Library Travel Expenses

Meals, while attending conference or staff development trainings, will be covered at the current IRS standard meal allowance rate. The Library will not reimburse for the cost of alcohol consumed during travel meals and encourages the staffer to consume in a responsible fashion or not at all.

Parking Fees

Reasonable and necessary costs for automobile parking will be reimbursed when there are no other practical options available. Requestors must present a receipt or a copy of their credit card statement that clearly indicates the parking fees in order to be reimbursed.

Miscellaneous

Other expenses will be reimbursed if determined to be reasonable and necessary by the Library Director and if supporting receipts or documents are provided. Fees, fines and penalties related to any violations are not reimbursable. Employees are traveling as representatives of the Library, and as a result are expected to conduct themselves in a manner which is befitting a LaGrange Library employee.

Tutoring

The LaGrange Association Library permits tutoring on its premises as part of its educational mission. Both tutors and students are required to abide by all rules and policies of the Library.

Tutors are required to observe the following guidelines when tutoring in the LaGrange Library; failure to comply may result in the loss of tutoring privileges in the Library:

- Tutors may not publish or distribute advertising or letters identifying the Library as their place of doing business or imply Library sponsorship or endorsement of their professional activities. Pursuant to the Library's Code of Conduct, tutors may not solicit Library patrons in the Library (see Code of Conduct).
- The Library does not sponsor, recommend or assume liability or responsibility for the work and/or activities of the tutor and all arrangements must be made between the student/parent and the tutor. The tutor is responsible for establishing communication protocols for the students and their parents. The Library staff is not responsible for making or canceling tutoring sessions or relaying messages between tutors and students.
- The Library may not be used as a classroom or office space, but as a safe, quiet workspace for students and tutors.
- There is no designated space in the Library for tutoring, nor may any space be reserved for tutoring, including meeting rooms and the Children's Program Room. Tutors may use any public space in the Library.
- If a meeting room or the Children's Program Room is available, tutors with a student 12 years of age or older may use them on a first-come, first-serve basis. If the student is a minor under the age of 12, a parent or responsible caregiver at least 18 years of age must stay in the room with them. Otherwise, they must use public space.
- Tutors and students must bring their own supplies.
- Tutors and students being tutored are encouraged to obtain a Library card.
- Tutors and students are subject to the Library's Code of Conduct and Internet Use Policy.
- The tutor shall be responsible for the student's compliance with Library rules.

Volunteers

The LaGrange Library Board of Trustees recognizes that volunteers are a valuable resource for the Library. Their energy and talents help the Library meet its commitment to providing quality service to the public. Volunteers enhance, rather than replace adequate staffing. Their services aid the Library in making the best use of its fiscal resources and help connect the Library to other community groups and organizations. Volunteers can also be valuable advocates for the Library in the community. The Library and its volunteers must work together to ensure a successful relationship. Library staff will continually work to recognize the contributions of Library volunteers and seek to expand the Library volunteer group as needed.

Volunteers must be at least 14 years of age. Each volunteer must complete an application, which will be kept on file in the Library. Application forms are available at the Library or on our website. In some cases, talents, experience, availability, and interests will be considered in placement and job assignments.

LaGrange Library volunteers are bound by rules contained in all Library policies and guidelines as applicable, especially as they relate to patron privacy and confidentiality, as per the New York State Library Confidentiality Law Article 4509. LaGrange Library volunteers are recognized by the public as representatives of the Library and shall be guided by the same work and behavior codes as employees.

Volunteers working in the Library have liability coverage for property damage and/or bodily injury to others or to themselves, which results from the performance of their volunteer duties and to themselves, if the Library is negligent.

LaGrange Library employees who received compensation in exchange for work performed, may not volunteer to do additional tasks which are similar to their defined job for unpaid service, as per the Fair Labor Standards Act of 1938.

Volunteers are asked to record their hours of service in the Volunteer Log Book located behind the Circulation Desk, as these statistics are reported on a monthly basis to the Board of Trustees.

The Library accepts volunteers requiring court ordered community service at the discretion of the Library Director. Court ordered community service volunteers are required to be interviewed by the Library Director prior to being accepted for service. The Library reserves the right to politely refuse volunteer services by individuals who present a danger to others or who do not represent the Library in a positive stance.

Junior volunteers under the age of 14 required to perform service for specific programs may be accepted on a short term, case-by-case basis. Parents or legal guardians of junior volunteers must sign the volunteer application form for their children to perform service hours at the Library. Volunteers under the age of 12 require a caregiver to be in the Library while they perform their service hours. A caregiver is an individual 18 years of age or older or a parent.

Vulnerable Adults

LaGrange Association Library strives to provide a warm, welcoming and safe environment for all community members. The Library is particularly concerned for the safety of vulnerable adults* in and around the Library. A parent/guardian or caregiver 18 years of age or older must be responsible for monitoring the activities and managing the behavior of vulnerable adults during their library visits.

** A vulnerable adult is an individual over the age of 18, who is mentally or physically challenged to a degree that significantly impairs the individual's ability to provide adequately for his/her own care or manage his/her own behavior without assistance.*

Any person who requires staff help beyond generally offered library services may fit this description and must be accompanied by a caregiver while using the Library, including while attending library programs.

Vulnerable adults will be expected to abide by the Patron Code of Conduct. The Library assumes no responsibility for vulnerable adults left unattended on the Library premises. Staff members are responsible for assisting all library customers and cannot adequately monitor unattended vulnerable adults. Staff cannot be expected to monitor or prevent vulnerable adults from leaving the building/grounds or to assume responsibility for monitoring their behavior. In the event that they are left alone in the Library, vulnerable adults should have contact information for a parent/guardian or caregiver who can assist them in an emergency. In the event of an emergency, the Library cannot assume responsibility for an unattended vulnerable adult.

Staff will attempt to contact a parent/guardian or caregiver when a vulnerable adult's:

- health or safety is in doubt
- behavior disturbs other library users
- actions violate any part of the Patron Code of Conduct
- parent/guardian or caregiver is not present at closing time. If no responsible adult is reached, or the vulnerable adult is not picked up within 15 minutes of Library closing, staff may notify the police.

Library staff may not drive vulnerable adults to any location, even by request of the parent/caregiver. Anytime vulnerable adults are left unattended in the Library, staff will attempt to discuss this policy with the parent/caregiver.

Weeding

Weeding is the removal of materials from the library collection that are no longer needed or viable and is a standard practice in managing a library's collection. Weeding is important in keeping a collection vibrant, relevant, and useable. It assists in preventing stacks from becoming overcrowded and makes remaining materials more visible and accessible.

The LaGrange Association Library may, at its sole discretion, remove and withdraw print items and any other materials (e.g., DVDs, audiobooks, and electronic resources) based on established guidelines. Collection development staff shall review, evaluate, and weed collection areas on a regular basis, using the following guidelines:

- Frequency of use: circulation and other statistics may be examined. Items that are not in demand may be eligible for weeding.
- Currency of information contained in an item. The importance of this factor will vary with the discipline.
- Low use items, of which there are multiple copies of the same title and edition within the Mid-Hudson Library System, may be weeded. However, the recognized importance of a work, edition, and author may encourage a decision for retaining.
- Superseded works, especially ones with little historical importance, may be weeded.
- Physical condition of an item or set. Materials that are badly deteriorated or missing key parts may be withdrawn at the discretion of the collection development staff; damaged items may be replaced, if they are available for purchase as new or used items in good condition.
- Materials available in other formats in the Library or online may be weeded, especially when they are low use and not rare.
- Items with regional or special interest to our collections and users should not be weeded unless they are held in multiple copies throughout the Mid-Hudson Library System.

Once the decision is made to remove, replace, or repair an item, a technical services staff member shall modify the item's catalog record. Materials, which are withdrawn from the collection, may be donated, recycled, or discarded at the Library's sole discretion.

Whistleblower Protection

Purpose

The LaGrange Association Library is committed to maintaining an environment where volunteers and employees are free to raise good faith concerns regarding the Library's operating practices, including but not limited to:

- Reporting suspected violations of law
- Providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body
- Identifying actual or potential violations of the LaGrange Library's bylaws and policies

Reporting a Violation

Members of the LaGrange Library Board, volunteers, and employees should raise concerns with, and report violations to, the LaGrange Library Director or the LaGrange Library Board President. If the concerns are with or about either of those parties, the individual should address concerns to any other member of the LaGrange Library's Board Executive Committee. If, for any reason, an individual does not feel comfortable reporting the problem to those parties, they may bring the matter directly to another LaGrange Library Trustee. This Whistleblower Policy shall not apply to allegations made with reckless disregard for their accuracy. People making such allegations may be subject to disciplinary action.

Confidentiality

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

The individual's anonymity will be preserved, if desired, and the individual's information managed as confidentially as possible. If it is found, due to the nature of the information, that confidentiality is not guaranteed, the individual will be alerted in advance that this is not possible. However, the individual will be protected from any harassment or inappropriate treatment.

No Retaliation

The LaGrange Library expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against any member or employee who raises suspected violations of law, cooperates in inquiries or investigations, or identifies potential violations of the LaGrange Library's policies or bylaws. Any members of the LaGrange Library Board, volunteers, or employees who engage in retaliation will be subject to discipline, up to and including termination or removal.

Any member of the LaGrange Library Board, volunteer, or employee who believes that they have been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy, should immediately report the retaliation to the LaGrange Library Director or the

LaGrange Library Board President. If the concerns are with or about either of those parties, the individual should address concerns to any other member of the LaGrange Library's Board Executive Committee. If, for any reason, an individual does not feel comfortable reporting the problem to those parties, they may bring the matter directly to another LaGrange Library Trustee.

Investigation

Reports of suspected violations of law, LaGrange Library's bylaws or policies, or reports of retaliation will be investigated promptly in a manner intended to protect confidentiality, consistent with a full and fair investigation. The LaGrange Library Board President or Director will conduct or designate other internal or external parties to conduct the investigation. The investigating parties will notify the concerned individuals of their findings, and prepare other reports as indicated by the circumstances. A summary of all such reports will be presented to the LaGrange Library Board Executive Committee.

In the event that a report of a suspected violation of law or policy or retaliation involves the LaGrange Library Board President or Director, the LaGrange Library Board Vice- President and other members of the Board Executive Committee will conduct the investigation, or designate a third party to conduct the investigation.

Wireless Access

The LaGrange Library will provide free Internet access for patrons with portable computers or devices capable of receiving wireless signals, during normal Library business hours.

Library staff will provide general information on the settings necessary to access the Internet via these connections, but are not responsible for any changes users make to their computer settings and cannot guarantee that a user's hardware will work with the Library's wireless connection.

If a user has problems accessing the Internet over these connections, staff cannot assist in making changes to the user's network settings or perform any troubleshooting on the user's own computer. Users should refer to their owner's manuals or other support services offered by their device manufacturer.

As with most public wireless "hot spots", the Library's wireless connection is not secure. There can be non-trustworthy third parties between the user and anybody with whom the user communicates. Any information being sent or received could potentially be intercepted by another wireless user. The Library will not be responsible for any personal information (e.g. credit card, passwords) that is compromised, or for any damage caused to your hardware or software due to electric surges, security issues or consequences caused by viruses or hacking. All wireless access users should have up-to-date virus protection on their personal laptop computers or wireless devices.

The Library provides access only to web-based email. For Microsoft Outlook or other email services, the user must connect with his or her own internet provider.

Printers are not available via the wireless connection at this time. If users need to print, they should save their work to a portable storage device (e.g. USB drive) or wait to print a document on a home printer. An alternative is to email files to themselves, then log into a wired library workstation and send documents to the public printer.

Use of these access points is governed by the Library's Computer/Internet Access Policy. All users are expected to use the Library's wireless access in a legal and responsible manner, consistent with the educational and informational purposes for which it is provided. Users should not violate federal, state or local laws, including the transmission or receiving of child pornography or harmful material, fraud, or downloading copyrighted material.

Any restriction or monitoring of a minor's access to the Library's wireless network is the sole responsibility of the parent or guardian.

Workplace Safety

In order to maintain a safe working environment and hazard-free space for public utilization, the Library Director, in conjunction with the staff, shall make periodic tours of the library space in order to identify areas in need of repair or replacement. The public and library staff are encouraged to call attention to any unsafe condition by notifying the Library Director.

Any accident on library property is to be immediately reported to the Library Director using a LaGrange Library Incident Report form. If employees are involved in an accident while at work, a New York State form C-2 Employer's Report Of Work-Related Injury/Illness must be completed as soon as possible following the accident and submitted to the Library Director. If an accident involves a patron, the patron should be given a copy of the LaGrange Library Incident Report form available at the circulation desk. If the patron declines to fill out a report, the staff member on the scene shall fill out the report to the fullest extent possible. All reports should be forwarded to the Director as soon as they are completed.

While in the LaGrange Library, users shall be engaged in library related activities and use appropriate behavior. Any behavior, which is disruptive to library use, is deemed to be inappropriate, including violations of the Code of Conduct. In addition, LaGrange Library users are required to follow all policies approved by the Library Board of Trustees.

Any staff member who observes or receives complaints of inappropriate or harmful behavior may:

- Handle the problem directly with the patron, giving them a copy of the Code of Conduct. Staff should use their judgment as to whether the situation requires assistance from an additional staff member.
- Immediately call the police (911) if the situation is of a severe, violent or emergency medical situation.
- Contact the person in charge if the situation is of a nature that the staff member chooses not to confront the patron.
- Contact police if the patron is not responding to staff requests to conform to Library policies or the Code of Conduct.

Library staff who have acted on their best judgment in confronting a person in violation of Library policy will be supported by their supervisor, the person in charge, and the Library Director.

In all cases, the Library Director must be notified as soon as possible when a staff member confronts a library user who violates Library policies.

Incident Reports

Incident reports must be completed and submitted to the Library Director within 24 hours of any incident. Copies of these reports will be kept at the Circulation Desk along with a log of banned and problem patrons, including the dates, details of the offense, and period of expulsion. This information will be available for staff and police to review in case of repeat offenders. In addition to written reports, staff are encouraged to talk through upsetting incidents in a

confidential setting to share their knowledge of possible problems with other staff who might be involved.

Inappropriate/Disruptive Behavior

The following list of behaviors, which is not intended to be an exhaustive list of such behaviors, are examples of inappropriate and/or disruptive behavior:

- possession of firearms, weapons or explosives on Library property
- stealing, destroying, defacing or damaging Library property
- abusive, indecent, profane, or drunken conversation and/or behavior
- committing any crime, felony, misdemeanor, or violation of any municipal ordinance, rule, regulation or law, on Library premises
- knowingly entering non-public areas of the Library
- any offenses listed in the Code of Conduct

Violations

Depending upon the seriousness of the behavior, patrons in violation of the Code of Conduct/Library Policies will be

- told of the Library rules and asked to comply and/or
- given a warning and/or
- asked to leave the premises

If the patron refuses to leave the premises, the police will be called and they may be subject to the banning procedure.

Parents of children under 18 will be notified in writing when their child commits an infraction and is removed from the Library.

At the discretion of the Library Director, the patron may be banned from the Library for a period of up to one (1) year depending on the seriousness of the offense which required removal, the extent of the damage or disruption caused, any history of prior infractions of Library policies, and other relevant circumstances.

The Board of Trustees has the discretion to ban the patron from the Library for any period of time, including permanently, depending on the seriousness of the offense which required removal, the extent of the damage or disruption caused, any history of prior infractions of Library policies, and other relevant circumstances.

Banning Procedure

1. The Director will consult with staff involved in the incident and provide a written decision on whether the patron will be banned.
2. The written decision will outline the period during which the patron will not be allowed to enter the Library and will specify the reasons for the determination.
3. The patron and staff will be notified in writing of the reasons and length of time the patron must remain out of the Library.

4. A certified letter will be mailed to the patron notifying them of the reason for and length of the banning and an explanation of the appeals process, indicating that they will not be permitted to enter the Library until either the banning period ends or, after the appeals process, the Library Director or Board of Trustees has rescinded the ban.
5. A copy of the written decision will also be sent to the Library Board President and if necessary, the police.

Any person who enters or remains on Library premises during the period they have been banned may be subject to civil and/or criminal penalties, up to and including arrest for trespassing.

Repeat Offenders

After the banning period ends, the patron is granted readmission. If they then exhibit any of the behaviors described above, they may be denied access permanently at the discretion of the Library Director.

Appeals Process

At any time during the banning period, the patron may appeal the ban with representatives of the Board of Trustees. The patron must write a letter to the Library Director requesting a meeting with the Library Director and the representative(s) of the Board of Trustees. This letter must include the patron's full name, address, and telephone number. Until such time as the patron requests this meeting, they will be prohibited from entering the Library premises.

At such a meeting, the representative(s) of the Library's Board of Trustees will meet with the patron, who may be accompanied by an advocate, to determine whether, and under what circumstances, the patron will be given permission to return to the Library.

If the patron is not satisfied with the decision of the representative(s) of the Library's Board of Trustees, then they must write a letter to the President of the Board of Trustees that sets forth the reasons for the appeal and requests a meeting with the entire Board of Trustees at their next regularly scheduled Board meeting. The letter requesting such a meeting must include the patron's full name, address, and telephone number. The President of the Board of Trustees will:

- Send a certified letter to the patron notifying them of the date and time of the next regularly scheduled meeting of the Board of Trustees
- Place the patron's appeal on the agenda for that meeting
- Send a copy of the certified letter to the Library Director
