

# Museum Passes

---

The LaGrange Association Library is pleased to offer a selection of museum passes to patrons free of charge for the purpose of enhancing the community's cultural access. Museum passes may be borrowed free of charge by town of LaGrange residents, 18 years of age or over, with a library card in good standing (i.e. no outstanding fines totaling \$10 or more).

Borrowers are responsible to call the museum directly for hours of operation, parking, or directions. Each museum determines the rules and regulations governing the use of its museum pass. The museum pass may not provide admission to all exhibits at the museum. The Library will not provide additional funds for admission beyond the issuance of the family museum pass.

Borrowers are advised to have a backup plan in case the museum is unexpectedly closed, or if a museum pass is not returned in time from the previous borrower. The Library assumes no liability of any kind which may arise from reservations, the usage of museum passes, or parking accommodations.

Passes are subject to availability, and are reserved on a first-come, first-served basis through the Library's website at <https://laglib.org> or by calling the Library. Only one pass may be borrowed per library card at a time. Borrowers must return a pass before borrowing another one. The Library reserves the right to monitor usage to ensure fair access to the greatest number of patrons.

Physical museum passes are barcoded and checked out like other circulating material. Physical passes may not be returned in the exterior or interior book drop or returned to another library in the Mid-Hudson Library System. They must be returned to a circulation desk clerk at LaGrange Library no later than 1:00 pm on the due date. Digital passes are sent to patrons via email and do not need to be returned to the Library.

A fee of \$25 per day will be charged to the borrower for passes held beyond the due date. A pass not returned within seven days after the due date will be considered lost and the patron will be charged the replacement cost, applied to their library record.
